FROM THE PRESIDENT

Graeme Gilbert
President
Netball SA

As we reflect on 2020, it is hard not to think of the unpredictable impact of COVID-19. Like so many businesses across the world, the pandemic has touched every corner of Netball SA and our wider community. Although the challenge it presented cannot be understated, there is still plenty to celebrate from 2020. A significant amount of work, from within Netball SA and across the South Australian community, has gone into laying a strong foundation for our wonderful sport and its future.

A NEW REALITY

When the pandemic first hit our community back in March 2020, it was certainly tough to watch the array of competitions and programs put on hold across South Australia. As the pressure on our community continued to build, the Netball SA Board made the decision to implement a 50% reduction in fees for the winter season in an effort to help ease some of the financial stress our members, clubs and associations were experiencing. We know how tough it was and saw how hard our community worked to keep our game alive as much as possible and we thank our members for their support and patience as we navigated these unprecedented times.

STRENGTHENING OUR PATHWAY

Once again, 2020 demonstrated the success of South Australia's pathways from grassroots to the elite. I was so proud to see 19 SA athletes named across the three Netball Centre of Excellence squads. Another shining light for 2020 was the success of South Australian umpire Georgina Sulley-Beales. In her first year as a contracted umpire, she became the first SA umpire to officiate a Suncorp Super Netball (SSN) Grand Final and I was so pleased to watch her in action at the match. Her outstanding performance was acknowledged with the 2020 SSN Umpire of the Year Award. 12-year-old Lucas Gulin became the youngest umpire to be awarded a National B Badge within South Australia. My congratulations also extend to Leanne Eichler who was awarded her elite coaching accreditation this year.

FINANCIAL POSITION

The Board acknowledged in 2019 that we needed to make some changes to our operations, in order to preserve our future financial stability.

These changes were in the process of being implemented when COVID-19 struck, and the global pandemic has certainly presented us with a whole new set of significant challenges.

State-wide lockdowns, sports being forced into hibernation, the closure of our Stadium, venue density and capacity restrictions and reduced participation across the State were just a few of the never-ending issues that we have faced since the outbreak of COVID-19.

As a result, the Association recorded an operating loss for the year of \$311,809.

Ironically, the audited financial statements show that we have made a profit for the year of \$4,102,643.

This has occurred as a result of recognising capital grant revenue of just over \$4.4M for the year.

The capital grants are from the State Government and can only be used for upgrades to the Netball SA Stadium at Mile End.

There has been a significant spend on stadium improvements this year, which included the new changerooms, the re-development and new lighting for the car park, and several upgrades to ensure the building meets new code requirements.

When we spend these grants, we are required to show these funds as Capital Grant income in our Profit and Loss account, but the expenses do not go to the Profit and Loss, and instead sit in our Balance Sheet as Leasehold Improvements as an asset.

With the support of both the State and Federal Governments, we have managed to trade our way through the COVID-19 crisis for now, and we look forward to continuing to strengthen our financial position into the future.

OUR SUPPORT NETWORK

The ability to not only survive but to thrive amidst a global pandemic is only possible when you have strong support behind you and this year highlighted to me more than ever how strong our community is. I would like to thank the Netball SA Board for the passion and dedication you all showed in 2020. We welcomed Chris Wood to the Board in February, taking over from Steve

“ WE KNOW HOW TOUGH IT WAS AND SAW HOW HARD OUR COMMUNITY WORKED TO KEEP OUR GAME ALIVE ”

Nolis and I would like to thank Steve for his significant contribution during his time serving on the Board.

Once again, our volunteers proved why they are the backbone of netball in South Australia and I cannot thank them enough to taking their commitment to another level this year. A special thank you to members of the Audit and Risk Committee, Foundation Division Committees and Priceline Pharmacy Country Championships Organising Committee and our Council Delegates, especially in the most challenging of years.

To the Netball SA staff and CEO Bronwyn Klei, thank you for all the hard work you have put in to keeping our sport strong this year. I know it has not been easy, but the hard times have proven just how passionate this organisation is about the future of netball.

And finally, to our netball family across the state, thank you for standing by us through one of the toughest years our sport has ever experienced. We know you all felt the impact of COVID-19, making your commitment to netball even more extraordinary and we cannot thank you enough. I look forward to seeing our game flourish further in 2021.

Graeme Gilbert
President
Netball SA

FROM THE CEO

Bronwyn Klei
Chief Executive Officer
Netball SA

A YEAR LIKE NO OTHER

It has been a year like no other.

As 2020 began, our hearts and minds were focused on the devastating bushfires that hit several South Australian communities over the summer. I was so proud to see our South Australian netball community rally together for our Bushfire Relief Fundraiser.

As significant as the bushfires were, I'm sure 2020 will forever be remembered as the year the world was rocked by the outbreak of COVID-19. At first, the game we love was put on hold and it was hard to see the light at the end of the tunnel.

Our days became filled with COVID Management Plans and applying for government exemptions as we exhausted every effort to get back on court. There is no doubt the pandemic presented our game with one of its toughest challenges... ever.

Inside Netball SA, it meant making a series of tough decisions including standing down staff, restructuring, and cost cutting to ensure we operated as prudently as possible.

As for our community, I was in awe of our associations and clubs for their ability to overcome the challenges in front of them. Although many were unable to host a traditional winter season, several embraced alternatives, from condensed seasons to carnival events.

Through it all, one thing was clear: the passion and commitment of our netball family is what keeps us strong. I cannot thank our incredible community enough for the dedication shown this year.

COMMUNITY NETBALL

Despite COVID-19's best efforts, we were fortunate to see several of our major competitions go ahead, including the Premier League, the Academy Games and the SAATA Aboriginal Netball Academy.

I was also very proud to sign the national Declaration of Commitment on behalf of Netball SA, acknowledging the role we play in increasing the participation rate of Indigenous athletes in our sport.

As we look ahead to 2021, we eagerly await to the return of competitions that were unfortunately not able to proceed in 2020.

Among them, the National Netball Championships and the One Netball Marie Little Shield – presenting the chance for SA's state teams to defend their 2019 titles.

SUNCORP SUPER NETBALL

After an extended delay to the season, I was so pleased to see our Adelaide Thunderbirds out on court in 2020.

Of course, our athletes entered the Queensland Hub to participate in a season like no other, as mid-week matches were introduced and we saw the two-point super shot change the game.

We were ecstatic to host the only three games to be played outside of Queensland. It meant the world to us to reward our loyal members with the chance to watch our Thunderbirds live in action.

A special thank you to the teams, on and off the court, for their resilience and ability to remain agile through this rapidly changing season.

And finally, a huge thank you to our incredible members. In the face of so much uncertainty, we were overwhelmed by your pledges of support and unwavering passion across social media. No matter where we were, we heard your cheers.

THE OTHER SIDE

Off the court, we were pleased to see the completion of the car park upgrade, and new spectator and player facilities, at our Mile End headquarters. We cannot wait to progress into the next phase of our plan to create a world-class home of netball in South Australia... a home which will be run to benefit netballers across the state.

In the commercial space, I give my sincere thanks to the partners who have supported us through such an unprecedented year. For those who were new to us,

“THERE IS NO DOUBT THE PANDEMIC PRESENTED OUR GAME WITH ONE OF ITS TOUGHEST CHALLENGES... EVER.”

this year may not have been what we anticipated, but you demonstrated that your commitment to netball transcends the courts.

Once again, this year has shone a light on the invaluable role our volunteers play. I would like to thank each and every one of you for not only helping us through a challenging year, but for being innovative and adaptable in the face of adversity.

I would like to also thank our Board for their hard-work and dedication, our many Netball SA members for their commitment, the Netball SA staff who have gone above and beyond to keep our sport strong, and Netball Australia for its support and guidance.

In addition, I would like to thank the Office of Recreation, Sport and Racing and, again, our commercial partners for sticking with us.

I look forward to continuing to work together with all of you, in what I hope will be a more “normal” year in 2021. Here's to getting back on court and our netball family returning stronger than ever.

VOLUNTEERS

Netball SA extends its sincere thanks to the volunteers across all facets of netball. This invaluable support is the lifeblood of our sport and community. From grassroots to the Adelaide Thunderbirds and the Netball SA Board, the extent of netball's reach in South Australia would simply not be possible without this generous donation of time and expertise.

In any year, our volunteers' contribution to our sport cannot be overstated. However, Netball SA would like to acknowledge the especially enormous contribution of our volunteers in 2020. In a year like no other, uncertainty and a rapidly changing environment characterised much of the year. We thank our volunteers for their relentless commitment to the sport during this challenging time.

2020 SNAPSHOT

STRATEGIC PILLARS

STRENGTHEN THE GAME

LIFE MEMBERS

Netball SA's Life Membership is awarded for outstanding voluntary service on a state level in the areas of playing, coaching, umpiring and/or administration.

We are grateful to all the Life Members who have dedicated themselves to the service of our sport.

In 2020, Netball SA was honoured to welcome Ros Collins (pictured right) as our newest Life Member. Ros has been involved in a number of different roles across netball, including over 30 years of service to the City Night Division, which she has passionately supported since 1987. We thank Ros for her outstanding service to netball in South Australia.

MEMBERSHIP

17,960 NETBALL SA MEMBERS*
42 STATE-WIDE COURT AUDITS
11 ASSOCIATIONS PROCEEDED WITH A WINTER SEASON
3 ONLINE WEBINARS

Netball SA remains steadfastly committed to the members that lie at the heart of South Australia's netball community.

In a year like no other, the COVID-19 global pandemic presented rapid and significant challenges to South Australia's entire netball landscape, including forcing delays or cancellations to all or part of regular winter seasons.

Unfortunately, not all associations were able to proceed with their winter competitions, and this significantly impacted 2020's member numbers, recording a 16,739-decrease year on year. However, Netball SA is working hard to help ensure netball's return to court in 2021 and its pre-COVID-19 membership numbers.

Despite the challenges of 2020, the Stakeholder Relations team endeavoured to provide every possible support for Netball SA members playing on in 2020 including:

- Support to clubs and associations in navigating through the restrictions in place due to COVID-19. Eleven associations made it on court for a 'normal' winter season.
- Three webinars conducted on:
 - Good Governance and Effective Meetings
 - Positive Club Culture
 - MyNetball FAQs
- Introduction of entirely online Council Meetings and town hall webinars as required in response to COVID-19.
- To further enhance communication with clubs and associations, 'The Game Plan' was introduced in January 2020 as a fortnightly electronic communication for key contacts.
- 42 court audits were conducted state-wide providing facility development support for clubs and associations applying for funding.
- Netball SA provided support to associations and members affected by the bushfires. Due to the loss of sports facilities on Kangaroo Island, Netball SA staff visited the island along with SANFL, Tennis SA and SACA, meeting with locals to establish how sporting bodies could support the rebuild.

SUNCORP NETSETGO

2,650 NETSETGO PARTICIPANTS
160 APPROVED NETSETGO CENTRES
115 NETSETGO PROGRAMS
91 CENTRES PROCEEDED IN 2020

Suncorp NetSetGO is a national product providing children between the ages of 5-10 years an introductory opportunity to progressively develop netball skills. It is divided into three tiers: Net, Set and GO, and where participants start depends on their age and netball experience.

Despite COVID-19 disrupting NetSetGO in 2020, South Australia had 91 centres proceed with their programs, with 2,650 participants registering to a Net, Set or GO program.

Unfortunately, due to COVID-19 the Adelaide Thunderbird NetSetGO Ambassadors were unable to visit any centres in 2020, but look forward to recommencing this in coming years.

NetSetGO tier	Participants	Programs
Net (5-7 years)	776	57
Set (7-8 years)	306	26
GO (9-10 years)	1,568	72

*This includes those who participated in a regular season or modified season. It does not include those that ran ad-hoc carnivals or junior development days

ADELAIDE THUNDERBIRDS SCHOOL HOLIDAY CLINICS

 **895** CLINIC PARTICIPANTS

 **10** CLINICS HELD OVER SCHOOL BREAKS

The popular Adelaide Thunderbirds School Holiday Clinics continued to generate high demand, with 895 participants aged 5–13 years attending one of three clinics held in 2020. Unfortunately, due to the onset of COVID-19, the April clinic was cancelled.

Adelaide Thunderbirds athletes attended during January and October clinics, providing a great opportunity for young South Australian netballers to meet and learn from their idols.

Each clinic is designed to provide participants with a unique experience, encouraging future participation. In 2020, a key focus at the clinics was to provide an increased game sense approach to netball.

SCHOOL PROGRAMS

 **5,795** SPORTING SCHOOLS PARTICIPANTS

 **8%** INCREASE ON 2019

 **310** THUNDERCUP PARTICIPANTS

In 2020, Netball SA implemented changes to the Participation Programs that were offered to South Australian schools.

Netball SA continues to provide opportunities for primary and secondary school students throughout the state to engage in netball, primarily through the Sporting Schools Program and Thunder Cup Competition.

SPORTING SCHOOLS

The Sporting Schools program is an Australian Government initiative designed to help schools to increase children's participation in sport, and to connect them with community sporting opportunities. In 2020, 5,795 school students participated in a Sporting Schools netball program across 34 primary schools and six high schools.

Unfortunately, due to COVID-19, Netball SA was not able to deliver in schools during Term 2. However, bounced back strongly in Term 3 with school uptake increasing by 80% compared to 2019.

Total 2020 student participation increased by 437, representing an 8% year on year increase.

THUNDER CUP

Thunder Cup is a participation-based competition for schools. The weekly competition delivered in Terms 2 and 3 enables children from Years 3-7 to play netball and develop their skills.

Due to COVID-19, the Term 2 competition was regrettably cancelled. However, Term 3 saw 310 students again participating across the three age groups.

SPECIALIST SCHOOLS PROGRAM

For 2020, endorsed 2019 Specialist Schools were invited to reapply for a one-year period. New schools were not offered endorsements in 2020.

Nine schools were re-endorsed for 2020:

- Blackwood High School
- Cardijn College
- Gleeson College
- Henley High School
- Pedare Christian College
- St Mary's College
- St Peter's Woodlands Grammar School
- Trinity College
- Mount Gambier High School

PRICELINE PHARMACY COUNTRY CHAMPIONSHIPS

The Priceline Pharmacy Country Championships is proudly South Australia's largest netball event.

Held annually over the June long weekend, the event sees over 1,000 participants from 26 associations across the state converge at Priceline Stadium.

As the competition brings together the best of the state's regional talent, it is a momentous occasion on the netball calendar.

Due to the onset of COVID-19, in what would have been its 80th year, the 2020 competition was cancelled.

Despite the cancellation, Netball SA acknowledges all the hard work that goes into preparations for each year, particularly through the Priceline Pharmacy Country Championships Organising Committee.

In 2020, Jan Summers, who has been an integral part of the committee since first taking up the role in 1970, retired from her position. Netball SA is incredibly grateful for Jan's unwavering commitment to the sport and competition.

Priceline Pharmacy Country Championships Organising Committee:

- Mary Hewett (Convenor)
- Yolanda Cannizzaro
- Naomi Davey
- Sharon Guley
- Marlene Lang
- Barbara Martin
- Jan Summers

ACADEMY PROGRAM

 **181** PLAYERS

 **26** COACHES

 **9** ACADEMIES

 **30** UMPIRES

 **5** UMPIRES RECEIVED
A NATIONAL BADGE

Netball SA established the academy program throughout South Australia for talent identified players, coaches and umpires to help them reach their potential.

The program aims to decentralise the delivery of developmental and high-performance programs to South Australian member associations, and to develop links between the regions, Netball SA and the South Australian Sports Institute.

Nine academies throughout the state participate in the program, which is conducted from February to October.

Due to COVID-19, the camp component of the program was cancelled, and the program's start was delayed. However, following its return to training, extra sessions were added to ensure the hours of contact were maintained.

To keep athletes and staff engaged during delays, Netball SA introduced the 2020 Academy Challenge. Players across all academies were assigned to mixed teams to take part in a virtual run from Gawler to Sydney, completing assigned tasks along the way. Working as a team, participants were required to do skill work, keep a budget for accommodation, food, tourist attractions and research towns visited.

Zoom sessions were introduced to cover the theory component of the Umpire Program and one face-to-face visit per academy was conducted after COVID-19 restrictions were eased.

Mentor Coaches were also able to visit the Eyre and Northern Metropolitan Academy to conduct mentoring sessions with coaches.

Netball SA Academies :

- Adelaide Academy
- Eyre Academy
- Central Ranges Academy
- Murray Academy
- Northern Metropolitan Academy
- Northern Regional Academy
- South East Academy
- Southern Academy
- Spencer Academy

ACADEMY GAMES

As a culmination event for the Netball SA Academy Program, the 2020 Academy Games was held at Priceline Stadium from 29 September – 1 October.

The competition provides program participants, including the players, coaches and umpires across all academies, with a valuable opportunity to showcase skills developed through the Netball SA Academy Program.

In 2020, the games continued the format, first introduced in 2019, of one skills day, followed by two competition days.

Northern Metropolitan Academy took out Division 1 of the competition and Adelaide Academy White came out on top for Division 2.

ACADEMY GAMES WINNERS

Division 1: Northern Metropolitan Academy

Division 2: Adelaide Academy White

2020 ACADEMY CHALLENGE

SAASTA ABORIGINAL NETBALL ACADEMY

19 STUDENTS GRADUATED FROM THE ABORIGINAL NETBALL ACADEMY

The South Australian Aboriginal Secondary Training Academy's (SAASTA) Aboriginal Netball Academy (ANA) provides Aboriginal and Torres Strait Islander high school students with a unique program with educational outcomes and netball development.

The netball component of the academy saw students undertake their Foundation Coaching Accreditation, Beginners Umpire Workshop, skills development and match play opportunities against Henley High School and St Mary's College.

In addition to their netball development, SAASTA students also completed subjects that go towards their SACE. Over two years, students can study either Stage 2 Sports Science or Aboriginal Studies. They can also study a Certificate III VET option such as Sport and Recreation, Community Services or Fitness and Hospitality.

In 2020, the ANA was delivered every Thursday throughout the school year at Lights View Recreation Centre and St Clair Recreation Centre. Due to COVID-19, the Academy did not deliver any practical components from April-June, with educational learning continuing in an online format.

SAASTA GRADUATING STUDENTS

- Kyla Abdullah
- Stella Ahkit Burgoyne
- Courtney Bouzikos
- Lesha Colson
- Olivia Davis
- Clarisha Graham
- Shanea Haseldine
- Chloe Henderson

Head Coach: Danielle Johnson

Assistant Coach: Christine Glenn

SA RUBIES

SA RUBIES WON GOLD AT 2019 ONE NETBALL MARIE LITTLE OAM SHIELD

SA RUBIES REMAIN UNDEFEATED IN ALL SIX ROUNDS

The South Australian Rubies compete in the One Netball Marie Little Shield - named in honour of disability netball pioneer, Marie Little OAM.

The annual tournament provides women with an intellectual disability the chance to compete at a national level.

The 2019 three-day competition was held on 12-14 October 2019 at the Queensland State Netball Centre in Brisbane.

Following a spectacular performance, the South Australian Rubies took home the gold, remaining undefeated in all six rounds and triumphing over Victoria in the Grand Final.

While Netball SA was ready to defend its title in the 2020 tournament unfortunately, due to COVID-19, the competition was cancelled. Therefore, no trials for a 2020 squad took place.

The success of the athletes in the program thus far, is a wonderful testament to the commitment to inclusion demonstrated by all involved in the Adelaide Metropolitan Netball Division, C6 competition.

2019 TEAM

NETBALL SA PREMIER LEAGUE

 **240** PLAYERS

 **8** CLUBS

 **16** TEAMS

 **2** UMPIRES RECEIVED NATIONAL BADGES

 **1** BENCH OFFICIALS RECEIVED AN ACCREDITATION

 **1** COACH RECEIVED AN ELITE ACCREDITATION

The Netball SA Premier League is the pinnacle netball competition in South Australia. It is made up of the state's most promising emerging and existing talent.

The highly competitive league provides a strong environment to develop athletes, coaches and officials and acts as a feeder program for national competitions.

Due to the outbreak of COVID-19, the pre-season cup was cancelled, and the regular season start was delayed by approximately 7-8 weeks.

Following the easing of restrictions, the season bounced back with the 14-round fixture, accommodated within a condensed format, including a three-game fortnight held on Friday and Mondays.

To launch the season, Rounds 1-4 were free for the public to attend. Contact tracing was introduced through online ticketing, supported by strict restrictions around social distancing, including no standing spectators and checkerboard seating.

As a wonderful addition to 2020, Spacequake Sports live streamed every Court One game, with each club allocated two games during the minor rounds.

The league was proud to celebrate Indigenous Round across both Round 7 and Round 8. To commemorate the occasion, Oakdale, Garville and Contax wore indigenous dresses, with 2020 being the first for Contax.

At the end of 14 rounds, Contax finished Minor Premiers in the Premier League Division and Matrics were Minor Premiers in the Reserves.

The Reserves Grand Final saw Matrics take on Oakdale Netball Club, while long-time rivals Matrics and Contax went head-to-head in the Premier League Division Grand Final.

Matrics Netball Club went on to take out both divisions, going back-to-back on their 2019 victories.

COACHING

Like most areas of netball, coaching was impacted by COVID-19, particularly through face-to-face development opportunities. This included those normally conducted through regional visits - a key focus of previous years to help support movement through the accreditation pathway in these areas.

However, despite the challenges, Netball SA is proud to have continued to support opportunities for potential or existing coaches to develop their skills through the pathway.

In a significant achievement for coaching in South Australia, an Elite Coach Accreditation was awarded to Contax Netball SA Premier League Head Coach, Leanne Eichler, during the 2020 competition.

To further support online development during COVID-19 restrictions, Netball SA conducted four coaching education webinars. This included sessions presented by distinguished High Performance Coach, Michelle den Dekker. Additionally, a Performance Analysis session was presented by the Adelaide Thunderbirds' Head Coach, Tania Obst, and Performance Analyst, Jade Traynor.

Sessions conducted:

- Basic Attacking
- Basic Defence Movement
- Basic Shooting
- Performance Analysis

Following the easing of restrictions, development and intermediate courses were offered face-to-face at Priceline Stadium.

2020 COACHING ACCREDITATIONS

Accreditation Level	Number of Accreditations
Foundation Coach Course (online)	192
Development Coach Course (online)	36
Development Coach Course (face-to-face)	17

118 NEUTRAL UMPIRES WERE APPOINTED TO AMND GRAND FINALS

8 PARTICIPANTS COMPLETED THE ONLINE BENCH OFFICIAL EDUCATION COURSE

1 BENCH OFFICIAL WAS ASSESSED AND AWARDED A NATIONAL BENCH OFFICIAL ACCREDITATION

The 2020 financial year started strong, with 12-year-old Lucas Gulin awarded his National B Badge, becoming the youngest South Australian to be awarded the accreditation.

With the outbreak of COVID-19, umpire development focused on online activities. This included Netball SA hosting three Umpire Education Zoom sessions presented by National AA Badge Umpire, Di Cocker:

- Badge Competencies
- Contact v Contest
- Rule Clarification

Following the commencement of the SSN, predominately held in Queensland, Georgina Sulley-Beales became the first South Australian umpire contracted to the league. In an impressive testament to her performance, Georgina was appointed to all rounds of the finals series, including the Grand Final, and was honoured with the 2020 Umpire of the Year Award.

Netball SA bench officials received a unique development opportunity when Helen Robinson (State, National, International Bench Manager), conducted face-to-face training during her time in South Australia for SSN matches.

2020 OFFICIATING ACHIEVEMENTS

- 12-year-old Lucas Gulin (pictured above) became the youngest umpire to be awarded a National B Badge within South Australia.
- Georgina Sulley-Beales became the first South Australian umpire contracted to the SSN
- Georgina Sulley-Beales was appointed to the SSN Grand Final match
- Following an incredible 2020 season, Georgina Sulley-Beales was honoured with the 2020 Umpire of the Year Award
- Rebecca Fergusson, selected for the 2019/20 Netball Australia Emerging Talent Umpire Program, was appointed as the Reserve Umpire for all three SSN matches conducted at Priceline Stadium
- Sarah Kociolek was awarded her National A Badge in umpiring

ADELAIDE THUNDERBIRDS

ADELAIDE THUNDERBIRDS

The impact of the COVID-19 global pandemic gave rise to a 2020 SSN season like none the league had seen before. Restrictions imposed by State and Federal Governments across the country forced a delayed and condensed season. The fixture ensured 14 rounds, where all teams played each other twice across an eight-week minor round period.

Considering state border closures and quarantine regulations across the country, a playing hub was established in Queensland, with all SSN teams relocating for the season. However, the Adelaide Thunderbirds were the only team outside Queensland to host three games in its home state during the season.

The 2020 season saw several new rules introduced. This included the increased squad of 12, rolling substitutions and the two-point super shot, which could be gained in the last five minutes of each quarter. However, the bonus point was removed from the season.

Like 2019, the club finished seventh on the ladder, however showed significant on-court improvement, winning two more games and nine more quarters compared to the previous year. The club also gained wins over the Melbourne Vixens, GIANTS and Collingwood Magpies for the first time in SSN history, as well as defeating both Grand Final teams in the minor round.

To conclude the season, for the second time in club history, the Adelaide Thunderbirds crowned two Priceline Pharmacy Club Champions, with Shamera Sterling and Maisie Nankivell sharing the honours for 2020. Chelsea Pitman took out both the Members' Player Award and the Players' Player Award, while Shadine van der Merwe was awarded the Spirit Award.

ADELAIDE THUNDERBIRDS HIGHLIGHTS

- The Adelaide Thunderbirds united with the Southern Force for Netball SA's Bushfire Relief Fundraiser
- Shamera Sterling and Chelsea Pitman were selected in the All-Stars team, playing the Australian Diamonds in a Netball Australia Bushfire Relief Fundraiser.
- Hannah Petty, who came up through the Netball SA pathway, was appointed as a co-captain alongside Chelsea Pitman. Layla Guscoth rounded out the 2020 leadership team.
- Four new players were capped with the club: Samantha Gooden (#97), Lenize Potgieter (#98), Tayla Williams (#99), and Georgie Horjus (#100).
- Maisie Nankivell's outstanding progress in 2020 was rewarded with the league's 2020 Rebel Rising Star Award.
- Shamera Sterling was named Reserve Defender in the Suncorp Super Netball 2020 Team of the Year.
- Sasha Glasgow and Lenize Potgieter both achieved personal milestones, surpassing 500 national goals.
- Shamera Sterling was named Goal Keeper in the SSN Nissan Net Points Team of the Year, featuring in the team for the second consecutive year.
- Sasha Glasgow and Maisie Nankivell and were both named in the Diamonds Emerging Talent Squad.
- Georgie Horjus, Tayla Williams and Chelsea Blackman were selected in the National World Youth Cup Squad.

NATIONAL SUCCESS

SOUTHERN FORCE

3 SUNCORP SUPER NETBALL DEBUTS

4 SQUAD MEMBERS ELEVATED TO THE 2020 12-PERSON ADELAIDE THUNDERBIRDS EXTENDED SQUAD

The Deakin University Australian Netball League (DUANL) is the competition underpinning the SSN. It provides a critical step in the pathway program between the Netball SA Premier League and the SSN. The Southern Force represent South Australia in the competition.

In 2020, Brian Lines was re-appointed as the Head Coach of the Southern Force, with Lee-Anne Cummins making her debut as Assistant Coach.

On 22 February 2020, the Southern Force played a critical role in Netball SA's Bushfire Relief Fundraiser. The squad took on the Adelaide Thunderbirds at Priceline Stadium, raising funds for several relief efforts. This included support for squad member Georgie Horjus' hometown of Kangaroo Island.

Due to COVID-19 the 2020 DUANL competition was cancelled. However, this gave rise to new opportunities for players in other programs.

Squad members and Adelaide Thunderbirds' training partners Chelsea Blackman, Charlee Hodges, Georgie Horjus and Tayla Williams were elevated to the Adelaide Thunderbirds 12-person extended squad (allowable in the SSN's 2020 condensed season).

Tyler Orr also made her SSN debut, joining the Collingwood Magpies as a replacement player. Kelly Altmann also joined the Collingwood Magpies as a replacement player.

2020 SOUTHERN FORCE SQUAD

- Kelly Altmann (Oakdale)
- Lucy Austin (Matrics)
- Chelsea Blackman (Contax)
- Emily Burgess (Matrics)
- Beth Cobden
- Sophie Croft (Matrics)
- Georgia Dent (Matrics)
- Charlee Hodges (Contax)
- Georgie Horjus (Contax)
- Chelsea Lemke (Contax)
- Tyler Orr (Matrics)
- Asha Thurlow (Metro Jets)
- Jordan Vivian (Oakdale)
- Molly Watson (Contax)
- Olivia Watts (Matrics)
- Tayla Williams (Contax)

Head Coach: Brian Lines

Assistant Coach: Lee-Anne Cummins

SOUTH AUSTRALIAN SPORTS INSTITUTE (SASI)

-  **1** FORMER SASI ATHLETE OFFERED 2020 ADELAIDE THUNDERBIRDS PERMANENT CONTRACT
-  **3** SASI ATHLETES OFFERED ADELAIDE THUNDERBIRDS TRAINING PARTNER CONTRACTS AND ELEVATED TO THE 12-PERSON SQUAD
-  **2** FORMER SASI ATHLETES SELECTED IN THE 2020 DIAMONDS SQUAD

The South Australian Sports Institute (SASI) Netball Program provides a daily training environment for the state's nationally identified athletes.

In 2020, former SASI athlete Maisie Nankivell was offered a permanent contract with the Adelaide Thunderbirds. SASI athletes Georgie Horjus, Tayla Williams and Chelsea Blackman were selected as Training Partners for the club. However, through the 12-person extended squad, all three athletes travelled to the SSN's Queensland hub, and had opportunities for match play during the 2020 season.

While the 2020 National Championships was cancelled due to COVID-19, seven 17/U athletes and four 19/U athletes were nationally identified. These athletes all attended the Netball Australia's Netball Centre of Excellence and received expert coaching and development opportunities.

SASI is also proud to have former athletes Sarah Klau and Maddy Proud selected for the Diamonds Squad in 2020.

CATEGORY 3 COMMONWEALTH

Athletes selected in the Australian Netball Diamonds' team/squad and/or athletes selected in the National Talent Squad:

- Sara Klau
- Sasha Glasgow
- Hannah Petty
- Maddy Proud

CATEGORY 4 DEVELOPING

Athletes in the 21/U national squad, athletes selected in the 19/U national squad and/or identified as developing athletes by the national selectors:

- Nyah Allen (Garville/Collingwood Magpies)
- Krystal Anderson-Ives (Contax)
- Lucy Austin (Matrics)
- Chelsea Blackman (Contax)
- Casey Bernhardt (Matrics)
- Georgia Dent (Matrics)
- Tahlia Dnistrijanski (Contax)
- Georgie Horjus (Contax/Adelaide Thunderbirds)
- Tyler Orr (Matrics/Collingwood Magpies)
- Paris Sinclair (Tango)
- Molly Watson (Contax)
- Tayla Williams (Contax/Adelaide Thunderbirds)

CATEGORY 5 EMERGING

Athletes in the 17/U national squad and/or identified as emerging athletes by the national selectors:

- Amelia Anderson (Contax)
- Sophie Casey (Matrics)
- Kimberley Hearnden (Matrics)
- Poppy Gilfillan-Silk (Metro Jets)
- Jessie Grenvold (Contax)
- Olivia Nicholls (Metro Jets)
- Aaleya Turner (Metro Jets)

SASI SCHOLARSHIP TALENT

SASI Scholarship, but are currently not national identified or categorised by selectors:

- Cameron Golding (Oakdale)
- Georgia Kraft (Matrics)
- Rachel Redden (Woods Panthers)
- Ivy Rose-Hughes (Matrics)

NATIONAL SQUADS

-  **2** SOUTH AUSTRALIAN DIAMONDS
-  **3** SOUTH AUSTRALIANS SELECTED IN 2020/21 AUSTRALIAN DEVELOPMENT SQUAD
-  **19** SA ATHLETES NAMED ACROSS THE THREE NETBALL CENTRE OF EXCELLENCE SQUADS

2020 DIAMONDS SQUAD

- Sarah Klau
- Maddy Proud

2020/21 AUSTRALIAN DEVELOPMENT SQUAD

- Maisie Nankivell
- Sasha Glasgow
- Maddy Turner

2020 NETBALL AUSTRALIA CENTRE OF EXCELLENCE SQUADS

Netball Australia announced its Netball Centre of Excellence Squads for 2020, including the Australian 21/ Under squad selected ahead of the 2021 Netball World Youth Cup.

2020 21/U National Squad - South Australian athletes

- Nyah Allen (Garville/Collingwood Magpies)
- Lucy Austin (Matrics)
- Chelsea Blackman (Contax)
- Georgia Dent (Matrics)
- Georgie Horjus (Contax/Adelaide Thunderbirds)
- Tyler Orr (Matrics/Collingwood Magpies)
- Molly Watson (Contax)
- Tayla Williams (Contax/Adelaide Thunderbirds)

2020 19/U National Squad - South Australian athletes

- Krystal Anderson-Ives (Contax)
- Casey Bernhardt (Matrics)
- Tahlia Dnistrijanski (Contax)
- Paris Sinclair (Tango)

2020 17/U National Squad - South Australian athletes

- Amelia Anderson (Contax)
- Sophie Casey (Matrics)
- Poppy Gilfillan-Silk (Metro Jets)

17/U AND 19/U STATE TEAMS

24 ATHLETES NAMED IN 17/U AND 19/U STATE TEAM SQUADS

2 STATE TEAM ATHLETES DEBUTED IN SUNCORP SUPER NETBALL

7 STATE TEAM ATHLETES JOINED NETBALL SA PREMIER LEAGUE

With both South Australia's 17/U and 19/U winning gold at the 2019 National Netball Championships, the reigning champions were set to defend their title in the 2020 competition.

2020 was the first year the 17/U and 19/U State Team athletes utilised the Athlete Management System. This was in anticipation that from 2021 the system begins to be employed to its full capacity at the state team level.

The 2020 National Netball Championships were scheduled to take place in Hobart in April, however, was cancelled due to COVID-19.

Despite the disappointment, Netball SA was proud to see State Team athletes excel in other opportunities within the pathway.

Georgie Horjus made her debut with the Adelaide Thunderbirds, elevated from her position as a Training Partner into the 2020 12-person extended squad.

Nyah Allen also made her debut with the Collingwood Magpies, also as an elevated Training Partner.

Seven state team athletes were also recruited into the Netball SA Premier League: Krystal Anderson-Ives (Contax), Casey Bernhardt (Matrics), Tahlia Dnistrjanski (Contax), Poppy Gilfillan-Silk (Metro Jets), Monet Lyle (Metro Jets), Olivia Nicholls (Metro Jets) and Paris Sinclair (Tango).

All athletes named in both 2020 squads were recognised at Adelaide Thunderbirds' Round 12 home game, when each was presented with their State Team dresses.

17/U STATE TEAM SQUAD

- Amelia Anderson (Contax)
- Sophie Casey (Matrics)
- Jordan Cowles (Matrics)
- Poppy Gilfillan-Silk (Metro Jets)
- Cameron Golding (Oakdale)
- Jessie Grenvold (Contax)
- Kimberley Hearnden (Matrics)
- Monet Lyle (Metro Jets)
- Olivia Nicholls (Metro Jets)
- Chelsea Swann (Contax)
- Aaleya Turner (Metro Jets)
- Jessie Wooldridge (Loxton North)

17/U STATE TEAM STAFF

Head Coach: Kirsty Leonard-Down

Assistant Coach: Peta Maher

Team Manager: Lorren Atwell

Physiotherapist: Jakson Messent

19/U STATE TEAM SQUAD

- Jordyn Adams (Garville)
- Nyah Allen (Garville)
- Krystal Anderson-Ives (Contax)
- Lucy Austin (Matrics)
- Casey Bernhardt (Matrics)
- Tahlia Dnistrjanski (Contax)
- Lauren Frew (Matrics)
- Georgie Horjus (Contax)
- Ivy-Rose Hughes (Matrics)
- Georgia Kraft (Matrics)
- Paris Sinclair (Tango)
- Molly Watson (Contax)

19/U STATE TEAM STAFF

Head Coach: Lee-Anne Cummins

Assistant Coach: Amanda Shattock

Team Manager: Jo Whelan

Physiotherapist: Scott Smith

MAKING NETBALL A PLACE WHERE PEOPLE THRIVE AND GROW

PEOPLE AND CULTURE

2020 has been a challenging year for Netball SA. Following the introduction of strict COVID-19 guidelines, 95% of all staff were stood down, while a core team working reduced hours navigated the challenges of the pandemic.

Like many businesses impacted by COVID-19, JobKeeper helped provide a lifeline for Netball SA. However, despite this, a significant restructure of the organisation was required. This included natural staff attrition involving not replacing roles upon any resignations.

A key focus of Netball SA's People and Culture efforts was the wellbeing of those on stand down and those managing the crisis within reduced capacity, some for

up to six months. This included regular all staff online meetings, social activities, meditation and exercise sessions.

Two staff members participated in Sport Australia's Women Leaders in Sport program. One staff member was offered a partial scholarship from Sport Australia to complete a Diploma of Positive Psychology and Wellbeing.

Netball SA has a site safety committee who in 2020 started to work through the WHS Action Plan developed at the end of 2019. This plan was paused due to COVID-19 and will be amended and implemented in 2021.

SEDA COLLEGE

 **17** SEDA STUDENTS
(8 AT STAGE 1 AND 9 AT STAGE 2)

SEDA NETBALL SA SPORTS DEVELOPMENT PROGRAM

2020 was the second year of Netball SA's industry partnership with SEDA College.

SEDA College offers a sports industry-based model of learning for senior secondary students completing their SACE.

Immersed in the sport and recreation industry, SEDA College provides a hands-on learning environment for its students. One where students are empowered to develop their practical skills and build strong networks, while completing their secondary education.

In 2020, 17 SEDA students participated in the Netball SA Sports Development Program.

Students in the program were exposed to multiple facets of netball and provided invaluable support for Netball SA through school holiday clinics, the Academy Games, Thunder Cup, facility audits and MyNetball Assistance.

RECONCILIATION ACTION PLAN

Our 2020-2022 Reconciliation Action Plan (RAP) was set to commence this year. However, due to the impact of COVID-19, in consultation with Reconciliation Australia, it was agreed that it would be delayed until January 2021.

NETBALL SA ADVISORY GROUP

The Netball SA Advisory Group has been instrumental in the organisation's steps toward reconciliation and we thank all participants for their involvement and support:

Advisory Group

- Debra Walker (Aunty Deb)
- Rigby Barnes
- Vanessa Dempsey
- Christine Glenn
- Stephen Harfield
- Kelly Maxwell

Netball SA Staff

- Lauren Sherman
- Alycia Smith
- Christy Tepaiho
- Sevanah Waterman
- Megan Wooldridge

VANESSA DEMPSEY AWARD

Named after its inaugural winner, the Vanessa Dempsey award recognises significant contributions to the Aboriginal and Torres Strait Islander communities.

Celebrating outstanding individual achievements in this important space, it forms part of Netball SA's commitment to reconciliation, as supported in the Reconciliation Action Plan.

In December 2019, the Vanessa Dempsey Award was awarded to Tracey Miller from Koonibba Netball Club, Ceduna. Tracy was bestowed the honour for her significant contribution to the engagement and support of Aboriginal and Torres Strait Islander netball participants and communities.

STADIUM

PRICELINE STADIUM

Like all venues operating in the complex COVID-19 world, 2020 has seen some unique challenges for the stadium. Following a 58 day stadium shutdown, upon its reopening, Netball SA worked tirelessly with SA Health and SA Police to ensure patrons could access and enjoy the stadium, albeit on a reduced scale.

An approved COVID Management Plan for the stadium allowed for the delivery of junior and secondary school carnivals, the full Netball SA Premier League season, a condensed AMND season, as well as various clinics, carnivals and competitions. Additionally, the stadium was proudly the only venue outside Queensland to host 2020 SSN matches, delivering three games in eight days.

The stadium complex remains on restricted patronage, with strict attention to ensuring the safety and management of visitors in complying with SA Health requirements.

Netball SA thanks all its loyal patrons for the support and patience displayed while navigating the impacts of COVID-19.

NETBALL SA EVENTS

In February 2020, Netball SA proudly hosted the Bushfire Relief Fundraiser in aid of fellow South Australians.

The event saw the Adelaide Thunderbirds take on the Southern Force. Thanks to the generosity of Netball SA's supporters, the event successfully raised more than \$17,000 through entry, raffles and BBQs, benefiting both people and wildlife affected by the tragedy.

Unfortunately, due to COVID-19, the 2020 Adelaide Thunderbirds Fan Day and Season Launch, Priceline Pharmacy Country Championships and the Deakin University Australian Netball League were cancelled.

In 2020, the SSN operated within strict COVID-19 restrictions, requiring a unique focus on event operations.

With the Adelaide Thunderbirds fortunate to host three Adelaide games, outside of the otherwise Queensland bubble, it provided South Australian fans with a unique opportunity to see the team take the court up close.

The restrictions drove an increased focus on event presentation through use of the big screen, audio visual and the MC announcements to engage the crowds - who brought fantastic energy to each game. Additionally, clubs were required to host all seven allocated home games, delivering all event presentation requirements remotely where required.

GOVERNMENT INVESTMENT

GRANTS

PRICELINE STADIUM REDEVELOPMENT

Thanks to grant funding first generously provided to Netball SA in 2017 by the South Australian Government, Priceline Stadium has undergone significant upgrades under phase one of the redevelopment.

The stadium carpark was entirely reconfigured and resurfaced; prioritising safety for vehicles and pedestrians, increasing the number of carparks and improving overall ingress and egress.

Change and bathroom facilities were upgraded across the venue, adding three additional change facilities to cater for increased demand across the community, athletes and officials.

Several cost saving and compliance measures were addressed, with improvements in electrical, plumbing and access systems.

Works will continue for phase one with the delivery of renovated outdoor toilet facilities, including an addition of a female change facility.

SAASTA ABORIGINAL NETBALL ACADEMY

ORSR provides funds annually to Netball SA to support the delivery of the educational, cultural and sporting development of students enrolled in the SAASTA Aboriginal Netball Academy.

CONFIDENT GIRLS FOUNDATION BUSHFIRE RECOVERY GRANTS

Through the Confident Girls Foundation Bushfire Recovery Grants initiative, Kangaroo Island Netball Association and Western Districts Memorial Community Sports Club each received \$10,000.

Netball Australia's official charity established the Bushfire Relief Appeal to support associations and clubs within the netball community affected by the fires.

Round One was designed to provide funds to help rebuild infrastructure, purchase equipment, cover the cost of registrations and fees, hold clinics and special community events and supply uniforms, among many other initiatives.

GRASSROOTS FOOTBALL, CRICKET AND NETBALL FACILITY PROGRAM

Through ORSR, the Grassroots Football, Cricket and Netball Facility Program aims to address critical infrastructure upgrades in grassroots sporting facilities to increase participation. Netball SA Members were among those successful in obtaining the grant.

ROUND 2

Adelaide Hills Council - \$490,000

To redevelop and upgrade two existing change rooms to unisex, construct two new unisex change rooms in a second storey to be added to the building, and to upgrade the cricket nets, at Heathfield Oval, Heathfield.

Alexandrina Council - \$800,000

To construct a new comprehensive modular multi-purpose community sporting facility, including four unisex change rooms, community spaces, player and spectator amenities, umpire and official areas, administrative spaces, and storage at the Goolwa Oval Sporting Precinct, Goolwa.

Cherry Gardens Ironbank Recreation Ground Incorporated - \$255,000

To install new modular unisex change room facilities, including umpires change rooms, medical rooms and an operable wall to allow the space to also be used for active recreation, at the Cherry Gardens Ironbank Recreation Ground, Cherry Gardens.

Mid Hills Netball Association Incorporated - \$99,000

To resurface six courts, and upgrade to compliant LED sports lighting on courts 1-12, at the Mid Hills Netball Association, Woodside.

The Barossa Council - \$881,000

To redevelop and upgrade existing change rooms to unisex, construct two new unisex change rooms, install a new junior oval, upgrade community spaces and install new cricket nets at the Angas Recreation Park, Angaston.

The Clare Sports Club Incorporated - \$880,000

To construct a new unisex change room facility including umpires rooms, medical rooms, a function centre, outdoor spectator seating, and viewing areas at the Clare Oval Sporting Precinct, Clare.

Victoria Park Jamestown Management Committee Incorporated - \$400,000

To construct new unisex change rooms at the Victoria Park Community Sporting Hub, Jamestown.

ROUND 3

City of Tea Tree Gully - \$92,500

To upgrade and resurface 20 courts at the South Australian District Netball Association, Golden Grove.

Encounter Bay Football Club Incorporated - \$400,000

To construct new unisex change room facilities, and to upgrade existing amenities including umpire and medical change rooms at the Encounter Bay Football Club, Victor Harbor.

The Barossa Council - \$197,000

To upgrade six courts, and install sports flood lighting, at Old Talunga Park, Mount Pleasant.

The Crystal Brook Football Club Incorporated - \$216,500

To construct a new unisex change room facility including umpire and medical rooms, canteen facilities, and flood lighting for the netball courts at the Crystal Brook Oval Precinct, Crystal Brook.

Tintinara Oval and Rec Association Incorporated - \$275,000

To redevelop and upgrade existing change rooms, incorporating umpires change rooms and a new storage area, plus two resurfaced netball/tennis courts and netball shelter shed at Tintinara Oval and Recreation Association, Tintinara.

STRONG VOICE

MARKETING AND COMMUNICATIONS

Netball SA's Marketing and Communications continue to support the whole of business portfolio including the Netball SA, Adelaide Thunderbirds, Premier League and Priceline Stadium brands.

As a key stage of Netball Australia's Digital Transformation project, new websites were relaunched for both Netball SA and Adelaide Thunderbirds in January 2020.

Netball SA also worked closely with Netball Australia to deliver the national Customer Segmentation project. This major strategic initiative helps to provide deeper insights on netball's customers and how we can effectively engage with them to grow the game and inform future strategies.

The Netball SA and Adelaide Thunderbirds brands united for the Bushfire Relief Fundraiser, in which the Adelaide Thunderbirds took on the Southern Force, with over 2,000 spectators in attendance.

Across all brands, the outbreak of COVID-19 drove an increased focus on digital strategies including information and fan hubs, a webinar series, expanded video content and supporting partners' shift to digital assets.

To further strengthen our 'Strong Voice' pillar, the in-house Media Manager role was introduced in March 2020. From grassroots to elite, media opportunities across the business included coverage across television, digital, radio and print.

The 2020 Netball SA Premier League season was underpinned by the launch of the 'Game On' campaign, new look and feel and a season launch media event. In 2020, Spacequake Sports supported the Premier League with livestream coverage for the Court One games of all 14 rounds and the finals series, helping to further extend the competition's online reach.

ADELAIDE THUNDERBIRDS MEMBERSHIP

 **1,003*** ADELAIDE THUNDERBIRDS MEMBERS

To launch the 2020 season, Flight Centre extended its partnership to support the Adelaide Thunderbirds membership program, including engaging activations and offerings for the clubs’ most loyal supporters.

The 2020 membership program became available in February 2020, however, like most areas of sport, was significantly impacted by COVID-19 shortly after. Membership sales were paused and priority shifted to helping ensure existing members’ attendance at Priceline Stadium and providing the best member experience possible. To continue to deliver value to members, the club increased its focus on digital engagement, including online Sprout cooking classes with players, players delivering meals to members, merchandise incentives and competitions.

With the Adelaide Thunderbirds provided the unique opportunity to host the only three games outside of the Queensland hub, the club presented members with revised offerings. And in a rapidly changing environment, were overwhelmed by members’ support, with 80% converting to revised membership options and attending the games. This included 30% generously pledging 100% of their membership.

Member Recognition Round opened the first of the three Adelaide games, showing the Adelaide Thunderbirds’ gratitude to those who stood by the club in a year like no other.

*10 members rolled their 2020 membership into 2021 due to health risks associated with COVID-19, but were still considered a member in the 2020 season bringing the total reported number to 1,003.

 **3,636** TOTAL ATTENDANCE ACROSS THREE
HOME GAMES

In alignment with COVID-19 Management Plans, 1,500 spectators were able to attend each Adelaide Thunderbirds game at Priceline Stadium.

The government-approved capacity ensured that the club could accommodate all members across the three games, however, no general public tickets were available in 2020.

Limited tickets were offered to SAPSASA participants and families, whose carnival aligned with the final two home games.

The Pink Army were thrilled to watch their Adelaide Thunderbirds live in a year where many others were not able to do so. Total ticketing achieved \$4,900 in revenue, with total attendance reaching 3,636 across the three Adelaide games.

ADELAIDE THUNDERBIRDS BROADCAST

The Adelaide Thunderbirds were allocated four live Channel 9 broadcast games in 2020 with a gross TV viewership of 497,000. While this is down from 680,000 achieved in 2019, it reflects two less broadcast games compared to the previous year. The average ratings for the Adelaide Thunderbirds once again outperformed the local A-League, NBL and all female sporting codes. (Source: OzTAM Metro Total TV & Regional FTA, 5 City Metro & Combined Agg.Mkt, 02:00-25:59, Overnight & Consolidated 7).

SSN streaming across the country grew by 34% YOY, with mid-week games, introduced in 2020, proving to be most popular (Source: Telstra TV audience measurement). SSN also attracted 1.1 million new viewers on metro TV this season (Source: OzTAM Metro Total TV, 5 City Metro, 02:00-25:59, Overnights).

OUR PARTNERS

In 2020, the commercial landscape faced significant challenges as COVID-19 considerably impacted various industries, including sport. The unprecedented events, further increased Netball SA's focus on delivering value for existing partners, more so than acquiring new business. This resulted in overall commercial revenue of \$1.15 million.

The SSN welcomed Nissan and Origin as major partners, supporting both elite and grassroots netball and this partnership was extended to the Adelaide Thunderbirds and Netball SA.

2020 saw St Louis Home Care, who provide community support for carers and elderly, partner with the Adelaide Thunderbirds through a two-year agreement. SASMA also joined forces with Netball SA as the stadium's first aid room provider, ensuring elite service and support in all events.

Due to the impact of COVID-19 and limited events, commercial strategies shifted from physical activations and engagement to an increased focus on digital opportunities.

The conclusion of the 2020 winter season also saw Priceline Pharmacy's departure from Netball SA following seven years of supporting netball at all levels in South Australia. Netball SA thank Priceline Pharmacy for their partnership and commitment to netball in the state.

With netball's full bounce back set for 2021, Netball SA and the Adelaide Thunderbirds prepare to welcome new partners to the netball family. In a year like no other, Netball SA thanks all the invaluable partners who have helped ensure the power of netball continues to unite and uplift communities.

PREMIER

MAJOR

CORPORATE

OPERATING PERFORMANCE

On March 11, 2020, the World Health Organisation declared a global COVID-19 pandemic, an outbreak that ultimately defined the year ahead.

The impact of COVID-19 certainly took its toll on the sporting landscape and for netball it was no different.

In South Australia, the introduction of government restrictions meant the sport was put on hold and the stadium at Mile End was closed.

As a result, NSA was significantly affected financially and incurred an operating deficit of \$311,809. However, the audited financial statements show a profit of \$4,102,643. This has occurred as a result of recognising capital grant revenue received from the State Government, which could only be used for upgrades to the stadium at Mile End.

The disruption of the pandemic meant NSA was unable to deliver against its strategic objectives for the

financial year. Several factors contributed to a reduction in overall revenue opportunities for NSA as a result of COVID-19, including:

- Winter and Summer netball competitions heavily reduced
- Reduced participation across the state
- Venue capacity reduced by 50%, impacting facility hire and entry fees
- Adelaide Thunderbirds home games limited to just three
- Cancellation of external events
- Reduced sponsorship income

The pandemic presented NSA with a significant challenge financially, but with the support of state and federal governments, it managed to continue operating. As the organisation enters a new financial year, the focus will be set on strengthening NSA's financial position into the future.

DIRECTORS' REPORT

Your directors present their report on the association for the financial year ended 30 September 2020.

Directors

The names of the directors in office at any time during or since the end of the year are:

Graeme Gilbert	President
Glenn Docherty	Director
Chris Wood	Director (commenced February 2020)
Steve Olech	Director
Megan Carter	Director
Leeanne Grantham	Director
Caroline Phillips	Director
Michelle Pole	Director
Julianne Cirson	Director
Steve Nolis	Director (retired February 2020)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The principal activities of the association during the financial year were the promotion of netball throughout South Australia, the management of a sporting stadium and managing the operations of the Adelaide Thunderbirds. No significant change in the nature of these activities occurred during the year.

Significant Changes in the State of Affairs

Significant changes in the association's operating performance occurred during the financial year, as a result of COVID-19 Pandemic.

Operating results

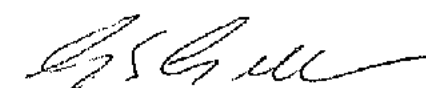

The association incurred an operating deficit for the year of \$311,809 (2019: \$716,731).

However, as a result of recognising Capital Grant revenue, the association reported a surplus for the financial year of \$4,102,643 (2019: \$392,843 deficit)

Auditor's Independence Declaration

The auditor's independence declaration for the year ended 30 September 2020 has been received and can be found on page 4 of the financial report.

Signed in accordance with a resolution of the Board of Directors

Director - Graeme Gilbert

Director - Julianne Cirson

Dated this 13th day of January 2021

SOUTH AUSTRALIAN NETBALL ASSOCIATION INCORPORATED

AUDITOR'S INDEPENDENCE DECLARATION

To the board of South Australian Netball Association Incorporated

I declare that, to the best of my knowledge and belief, during the year ended 30 September 2020, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements cover South Australian Netball Association Incorporated as an individual entity. South Australian Netball Association Incorporated is an association incorporated in South Australia and operating pursuant to the *Associations Incorporation Act (SA) 1985*.

South Australian Netball Association Incorporated applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standard.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Associations Incorporation Act (SA) 1985. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

(a) Income Tax

South Australian Netball Association Incorporated is not subject to income tax and therefore no income tax expense or income tax payable is shown in the financial statements.

(b) Fair Value of Assets and Liabilities

The association measures some of its assets at fair value on a recurring basis.

Fair value is the price the association would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. To the extent possible, market information is extracted from either the principal market for the asset or liability (ie the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at reporting date (ie the market that maximises the receipts from the sale of the asset or minimises the payment made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use, or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments may be valued, where there is no observable market price in relation to the transfer of such financial instrument, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

(c) Property, Plant and Equipment

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

The cost of fixed assets constructed within the association includes the cost of materials, direct labour and borrowing costs.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets, including buildings and leasehold improvements, is depreciated on a straight-line or diminishing value basis over the asset's useful life commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Buildings and leasehold improvements	2.5% - 40%
Plant & equipment	10% - 66.67%
Furniture, fixtures & fittings	20% - 40%
Motor vehicles	22.5% - 25%
Computer equipment	50% - 66.67%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. Gains and losses on disposals are determined by comparing net proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur. When revalued assets are sold, amounts included in the revaluation relating to that asset are transferred to retained surplus.

(d) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the association becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the association commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

All recognised financial assets that are within the scope of AASB 9 are initially classified as into one of these 3 groups on the basis of the entity's business model for managing the financial assets and whether the contractual cash flows re limited to payments of principal or principal plus interest:

- 1) Amortised cost
- 2) Fair value through profit or loss ("FVTPL"); or
- 3) Fair Value Through Other Comprehensive Income ("FVOCI")

These assets are initially measured at fair value plus any transaction costs, or in the case of assets classified as FVTPL.

Classification and subsequent measurement

Subsequently:

(i) assets classified as amortised cost are measured using the effective interest rate method and are subject to impairment assessments. Realised gains and losses on these assets recognised in profit or loss when the asset is derecognised, modified or impaired;

(ii) assets classified as FVTPL are measured at fair value and any net change in fair value is recognised in profit or loss; and

(iii) assets classified as FVOCI are measured at fair value and any net change in fair value is recognised in Other Comprehensive Income, Gains or losses on these assets realised on derecognition are recognised in profit or loss.

Impairment

Financial asset impairment is assessed at the end of each financial period using the expected credit loss (ECL) model, except for assets classified as FVTPL. It is calculated by deducting from the contractual cash flows due to the entity the cash flows that the association expects to receive, discounted at a rate that approximates the effective interest rate at inception.

The association considers a financial asset is in default when internal or external information indicates that the outstanding contractual amounts are unlikely to be received. Financial assets are written off when there is no reasonable expectation of recovering the contractual cash flows.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

(e) Impairment

At the end of each reporting period, the Association reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

(f) Leases

At inception of a contract, the association assesses whether a lease exists – i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration. This involves an assessment of whether:

- The contract involves the use of an identified asset – this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right, then there is no identified asset.
- The association has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use
- The association has the right to direct the use of the asset i.e. decision-making rights in relation to changing how and for what purpose the asset is used.

The association has elected to apply the exceptions to lease accounting for leases of low-value assets. For these leases, the association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

Concessionary Leases

For leases that have significantly below-market terms and conditions principally to enable the Association to further its objectives (commonly known as peppercorn/concessionary leases), the Association has adopted the temporary relief under AASB 2018-8 and will measure the right-of-use assets at cost on initial recognition.

The lease for the stadium is still under negotiation. Once the details have been agreed, pursuant to the exemption, a lease liability will be brought to the statement of financial position, with a corresponding right of use asset to the same value being recognised.

In the comparative reporting period, the following accounting policies applied for leases:

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recognising an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or ownership over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(g) Employee Provisions

Short-term employee benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The association's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Other long-term employee benefits

Provision is made for employees' annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements of obligations for other long-term employee benefits for changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

The association's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the association does not have an unconditional right to defer settlement for at least 12 months after the reporting date, in which case the obligations are presented as current provisions.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(i) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(e) for further discussion on the determination of impairment losses.

(j) Revenue and Other Income

The association has elected to adopt AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Not-for-Profit Entities this period with a date of initial application of 1 January 2019 using the modified retrospective (cumulative catch-up) method which means the comparative information has not been restated and continues to be reported under AASB 111 Construction Contracts, AASB 118 Revenue, AASB 1004 Contributions and related interpretations.

AASB 15 requires revenue to be recognised when control of a promised good or service is passed to the customer at an amount which reflects the expected consideration.

The customer for these contracts is the fund provider.

Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price
5. Recognise revenue

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability. This is the case for application fees for new members, which are recognised as income over the expected term of membership.

None of the revenue streams of the association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Contract assets arise when work has been performed on a particular program and goods or services have been transferred to the customer but the invoicing milestone has not been reached and the rights to the consideration are not unconditional. If the rights to the consideration are unconditional then a receivable is recognised. No impairment losses were recognised in relation to these assets during the year (2019: \$nil).

Contract liabilities generally represent the unspent grants or other fees received on the condition that specified services are delivered or conditions are fulfilled. The services are usually provided, or the conditions usually fulfilled within 12 months of receipt of the grant / fees. Where the amount received is in respect of services to be provided over a period that exceeds 12 months after the reporting date or the conditions will only be satisfied more than 12 months after the reporting date, the liability is presented as non-current. Where the monies are received for the association to acquire or construct an item of property, plant and equipment which will be controlled by the association then the funds are recognised as a contract liability and amortised to revenue as and when the obligation is satisfied.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Grant income

Assets arising from grants in the scope of AASB 1058 are recognised at their fair value when the asset is received. These assets are generally cash but maybe property which has been donated or sold to the association at significantly below its fair value.

Once the asset has been recognised, the association recognises any related liability amounts (e.g. provisions, financial liabilities).

Once the assets and liabilities have been recognised then income is recognised for any difference between the recorded asset and liability

Capital grants

Capital grants received under an enforceable agreement to enable the association to acquire or construct an item of property, plant and equipment to identified specifications which will be controlled by the association (once complete) are recognised as revenue as and when the obligation to construct or purchase is completed.

For construction projects, this is generally as the construction progresses in accordance with costs incurred since this is deemed to be the most appropriate measure of the completeness of the construction project as there is no profit margin.

For acquisitions of assets, the revenue is recognised when the asset is acquired and controlled by the association.

Interest Income

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax.

In the comparative reporting period, the following accounting policies applied for revenue and other income:

Grants are treated according to the specifications of the grant funding agreements. Grant income and expenses are recognised as specified by the grant funding agreements.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer.

All revenue is stated net of the amount of goods and services tax.

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(l) Inventories

Inventories held for sale are measured at the lower of cost and net realisable value.

(m) Comparative Figures

When required by Accounting Standards or for improved presentation of the financial report, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(n) Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

(o) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(p) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key estimates

(i) Useful lives of property, plant & equipment

As described in Note 1(c), the association reviews the estimated useful lives of property, plant and equipment at the end of each annual reporting period.

Key Judgements

(i) Performance obligations under AASB15 and AASB 1058

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/ type, cost/value, quantity and the period of transfer related to the goods or services promised

(ii) Employee Benefits

For the purpose of measurement, AASB 119: Employee Benefits (September 2011) defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related services. As the association expects that all of its employees would use all of their annual leave entitlements earned during a reporting period before 12 months after the end of the reporting period, the association believes that obligations for annual leave entitlements satisfy the definition of short-term employee benefits and, therefore, can be measured at the (undiscounted) amounts expected to be paid to employees when the obligations are settled.

(iii) Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the association based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the association operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the association unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

(q) Going Concern

The financial statements for the year ended 30 September 2020 have been prepared on a going concern basis. For the year ended 30 September 2020 the association recorded an operating loss of \$311,809 (2019: \$716,731) calculated as follows:

	2020	2019
	\$	\$
Operating revenue and other income	5,633,564	7,478,476
Cost of sales	(113,380)	(201,422)
Employee benefits expenses	(3,396,883)	(3,755,410)
Depreciation expense	(328,301)	(281,105)
Finance costs	(12,824)	(4,871)
Other expenses	(2,093,985)	(3,952,399)
Operating Loss	(311,809)	(716,731)

Notwithstanding the operating results the board believes the going concern basis is appropriate. This expectation is based on the following:

- Continued support from funding bodies; and
- Management and costs restructure resulting in improved and profitable operations.

After taking into account all available information, the Board has concluded that there are reasonable grounds to believe:

- The association will be able to pay its debts as and when they become due and payable; and
- The basis of preparation of the financial report on a going concern basis is appropriate.

No adjustments were made to the assets and liabilities within the financial statements in relation to this uncertainty.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

NOTE 9 - ACCOUNTS PAYABLE AND OTHER PAYABLES

	2020 \$	2019 \$
Current		
Accounts payable	378,814	274,320
Other payables & accrued expenses	338,872	607,418
Total accounts payable and other payables	717,686	881,738
Accounts payable and other payables:		
- total current	717,686	881,738
- total non-current	-	-
	717,686	881,738
Less Accrued expenses and clearing accounts	338,872	607,418
Financial liabilities as accounts payable & other payables	378,814	274,320

Collateral Pledged

No collateral has been pledged for any of the accounts payable and other payable balances.

NOTE 10 - OTHER LIABILITIES

	2020 \$	2019 \$
Current		
Contract liabilities	1,478,435	6,012,331
Income in advance	88,118	39,566
Total other current liabilities	1,566,553	6,051,897

NOTE 11 - EMPLOYEE PROVISIONS

	2020 \$	2019 \$
Current		
Provision for annual leave	106,931	100,921
Provision for long service leave	41,236	59,826
	148,167	160,747
Non-Current		
Provision for long service leave	36,801	26,513
Total employee provisions	184,968	187,260

Provisions include amounts accrued for annual leave. Based on past experience, the association expects the full amount of the annual leave balance to be settled within the next 12 months. Further these amounts must be classified as current liabilities since the association does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlements.

NOTE 12 - RESERVES

Capital works reserve

This reserve was created in 2011/12. Amounts allocated to this reserve are determined by the board on an annual basis. The funds will primarily be used for capital works.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

NOTE 13 - RELATED PARTY DISCLOSURES

Board of Management

No director of the Board received remuneration from the association in their capacity as director. No other entity that the above directors are associated with has received funds other than through dealings with the association in the ordinary course of business and on normal commercial terms and conditions.

	2020 \$	2019 \$
G Gilbert		
- Mentor coaching and umpiring duties	3,000	3,180
M Carter		
- Coaching course presenter and mentor coaching	-	2,275

Key Management Personnel Compensation

The totals of remuneration paid to key management personnel (KMP) of the association during the year are as follows:

Short Term Benefit	613,443	596,734
Post Employment Benefit	52,542	50,857
Total Compensation	665,985	647,591

Other related parties

Transactions between related parties are on normal commercial terms and under conditions no more favourable than those available to other parties unless otherwise stated.

NOTE 14 - AUDITOR REMUNERATION

Auditor Remuneration

Audit services	9,900	9,900
Non-audit services	3,100	2,550
	13,000	12,450

- (increase)/decrease in trade and other receivables	296,253	(63,846)
- (increase)/decrease in inventories	11,121	(26,674)
- (increase)/decrease in prepayments and other current assets	124,860	(488)
- increase/(decrease) in provision for doubtful debts	(15,163)	-
- increase/(decrease) in accounts payable and other payables	(164,052)	251,658
- increase/(decrease) in other liabilities	(4,485,344)	-
- increase/(decrease) in employee provisions	(2,292)	(56,387)
Net cash provided by operating activities	196,327	(7,475)

NOTE 16 - CONTINGENT LIABILITIES

There are no contingent liabilities as at 30 September 2020.

NOTE 17 - FINANCIAL RISK MANAGEMENT

The association's financial instruments consist mainly of deposits with banks, accounts payable and receivable. The association does not have any derivative financial instruments as at 30 September 2020.

The totals for each category of financial instruments, measured in accordance with AASB 9: *Financial Instruments* as detailed in the accounting policies to these financial statements, are as follows:

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

	Note	2020 \$	2019 \$
Financial assets			
<i>Current</i>			
Cash and cash equivalents	4	2,338,276	6,157,806

Financial Liabilities

Current

Accounts payable and other payables	9	378,814	274,320
Total financial liabilities		378,814	274,320

The Committee monitors the association's transactions and reviews the effectiveness of controls relating to credit risk, financial risk, and interest rate risk.

The committee members' overall risk management strategy seeks to ensure that the association meets its financial targets, while minimising potential adverse effects of cash flow shortfalls.

The main risks the association is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

There have been no substantive changes in the types of risks the association is exposed to, how these risks arise, or the Committee's objectives, policies and processes for managing and measuring the risks from the previous period.

a. Liquidity risk

Liquidity risk arises from the possibility that the association might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The association manages this risk through the following mechanisms:

- preparing forward-looking cash flow analysis in relation to its operational, investing and financing activities; and
- only investing surplus cash with major financial institutions.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed.

b. Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the association. Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits, and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee has otherwise cleared as being financially sound.

Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at balance date is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the balance sheet.

The association has no significant concentration of credit risk with any single counterparty or group of counterparties.

c. Market risk

Interest rate risk

The association is not exposed to any significant interest rate risk.

Fair value estimation

The carrying values of financial assets and financial liabilities approximate fair values.

		2020		2019	
	Footnote	Net Carrying Value \$	Net Fair Value \$	Net Carrying Value \$	Net Carrying Value \$
Financial assets					
<i>Current</i>					
Cash and cash equivalents	(i)	2,338,276	2,338,276	6,157,806	6,157,806
Accounts receivable and other debtors	(i)	275,753	275,753	577,488	577,488
Total financial assets		2,614,029	2,614,029	6,735,294	6,735,294
Financial Liabilities					
<i>Current</i>					
Accounts payable and other payables	(i)	378,814	378,814	274,320	274,320
Total financial liabilities		378,814	378,814	274,320	274,320

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

The fair values disclosed in the above table have been determined based on the following methodologies:

(i) Cash on hand, accounts receivable and other debtors, and accounts payable and other payables are short-term instruments in nature whose carrying amount is equivalent to fair value. Accounts payable and other payables exclude amounts relating to the employee provisions, which are outside the scope of AASB 139.

NOTE 18- CAPITAL COMMITMENTS

Significant capital expenditure contracted at the end of the reporting period but not recognised as liabilities is as follows:

	2020 \$	2019 \$
Stadium upgrade and other improvements	557,337	4,974,780
Total capital expenditure not recognised as liability	557,337	4,974,780

NOTE 19 - EVENTS AFTER THE REPORTING PERIOD

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while there has been no significant impact for the association up to 30 September 2020, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 30 September 2020 that has significantly affected, or may significantly affect the association's operations, the results of those operations, or the association's state of affairs in future financial years.

NOTE 20 - ASSOCIATION DETAILS

The registered office and principal place of business of the association is :
South Australian Netball Association Inc
155 Railway Terrace
Mile END SA 5031

STATEMENT BY THE DIRECTORS

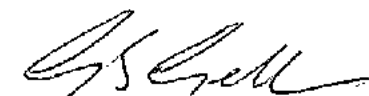

The directors of the board declare that, in the board's opinion:

1. The financial statements and notes, as set out on pages 3 to 20:

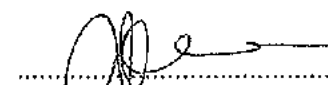

- comply with Australian Accounting Standards - Reduced Disclosure Requirements ; and
- give a true and fair view of the financial position of South Australian Netball Association Incorporated as at 30 September 2020 and of its performance for the year ended on that date.

2. There are reasonable grounds to believe that South Australian Netball Association Incorporated will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Directors and is signed for and on behalf of the Directors by:

Director - Graeme Gilbert

Director - Julianne Cirson

Dated this 13th day of January 2021

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SOUTH AUSTRALIAN NETBALL ASSOCIATION INCORPORATED

Opinion

We have audited the financial report of South Australian Netball Association Incorporated ("the entity") which comprises the statement of financial position as at 30 September 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

In our opinion, the accompanying financial report of the South Australian Netball Association Incorporated is in accordance with the Associations Incorporation Act 1985, including:

- giving a true and fair view of the entity's financial position as at 30 September 2020 and of its financial performance for the year then ended; and
- complying with Australian Accounting Standards to the extent described in Note 1 and the Associations Incorporation Act 1985.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty relating to going concern

We draw attention to Note 1(q) of the financial report, which indicates that for the year ended 30 September 2020 the association reported an operating loss of \$311,809. As stated, the board have prepared the financial statements on a going concern basis notwithstanding there is an uncertainty that may cast significant doubt on the Association's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards and Associations Incorporation Act 1985 and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SOUTH AUSTRALIAN NETBALL ASSOCIATION INCORPORATED

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
