# THANK YOU

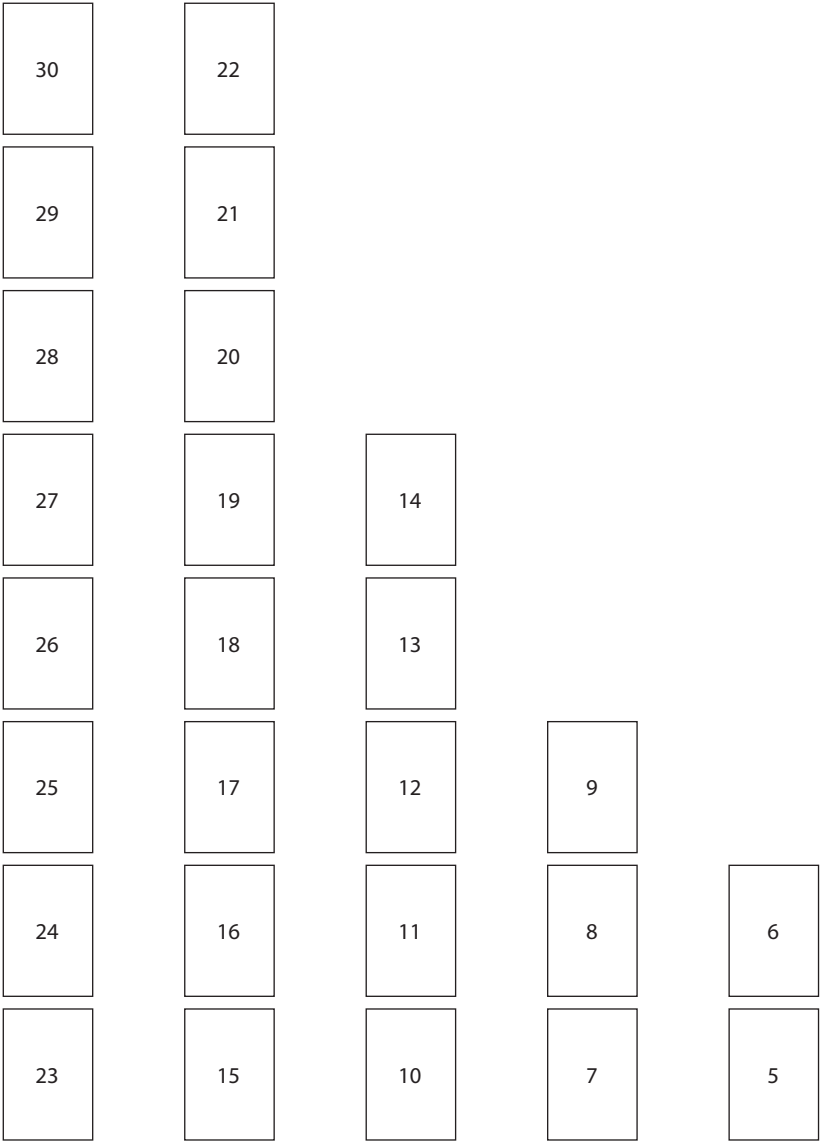

The saying ‘many hands make light work’ could not be truer for the 2021 Netball SA Country Championships. There are numerous people offering their assistance to make the Championships a success.

First and foremost, thank you to the Organising Committee for their dedication and hard work in the lead up to, and over the weekend. The committee represents all regions attending the Championships and is led by Convener, Mary Hewett.

Many thanks to the Netball SA team for their assistance and commitment to the event, thank you also to the Office for Recreation & Sport for their active support of Netball in South Australia and their continued promotion of maintaining a healthier lifestyle.

Finally, thank you to all the volunteers, coaches, umpires, officials, players and spectators, without you, this event could not continue.

# MESSAGE FROM THE CONVENOR

Welcome everyone to Netball SA Country Championships 2021.

My name is Mary Hewett from Port Broughton and I am honoured to be the Netball SA Country Championships Convenor for 2021.

Firstly, I wish to apologise for this type of welcome but I'm afraid it's a sign of the times while this worldwide pandemic continues to cause havoc. We are so lucky here in SA, but doesn't mean that we need to be complacent so please abide by the rules. Many thanks to SA Health for allowing us to improve our restrictions for the weekend.

I welcome Gawler and District to our Competition this year. It's been a few years since we have had them participate and we wish them all the best.

Thank you again for all the coaches, umpires, team managers, parents, grandparents, carers and of course the players for committing yourselves to attend our carnival. We have 526 matches over the three days which is amazing. We have 26 Associations participating and 101 teams competing which is the most we have had for about 15 years.

As you are all aware, we have included 11 and Under into our competition this year for the first time with a one-day event for them. I hope you enjoy your little taste of the Country Champs.

Another change this year is the Senior Competition is a two-day event and not three days. We welcome your feedback

after Country Champs to see if we should continue as this format or revert to a three-day competition.

As there is no physical booklet this year, please download the MyNetball App on your smartphone to access. If you are having trouble please see one of our friendly committee people at the Duty Room for assistance (or ask a 15 year old).

Don't forget to visit the Activity Hub and look at our Country Champs merchandise so you can have a wonderful memento from this weekend.

The Thunderbirds are playing Saturday at the Adelaide Entertainment Centre and hopefully some of your Associations have taken the opportunity to access tickets with Ticketek.

A big thank you for Deanna and Hanna from Netball SA for all your help organising this huge event plus Lucy and Karla. Also many thanks to the Organising Committee of Naomi, Yolanda, Marlene and Tania.

Lastly, I look forward to seeing all your smiling faces over the weekend. This weekend is not only about winning ... it's about friendship, team ship, self-confidence, commitment and most importantly FUN!!

All the best for the 2021 Netball SA Country Championships.

Let the games begin!

# GENERAL INFORMATION

## TIMES

Saturday 12 June  
Doors open 7:45am

Sunday 13 June  
Doors open 8:00am

Monday 14 June  
Doors open 8:00am

## TEAMS

The Duty Room must be notified of any changes to team lists at any time during the competition.

Players from a lower grade/s registered list/s may be added to a higher grade, but they cannot return to the lower grade.

## MATCHES

Matches will be centrally timed and will start and finish on the umpire's whistle.

The first named team is to take the first centre pass, the other team is to choose goal end.

All matches will consist of two (2) x fifteen (15) minute halves, with a three (3) minute interval during which teams change ends.

In extreme weather conditions, the decision to abandon matches must be made by the Organising Committee. The complete round will be abandoned including indoor games.

## SCORERS

Both teams must provide a scorer for each match. Scorers must be near each other, in line with the centre circle, and frequently compare scores to prevent any discrepancies.

The white score card is for the Home Team and is the official score, the green score card is for the Away Team and is the check score.

Both cards must be filled in for each match, including any interchanges/subs made.

All score cards must be returned to the Duty Room IMMEDIATELY after each game.

## UMPIRES

Umpires must umpire the game allocated per the neutral grid system.

If umpires do not attend their designated court – the umpire allocated to that Associations game must go to the vacant court and the erring association will have to forfeit.

If your team is participating in the quarter finals, semi finals or grand finals your umpire is required to be available for all above mentioned matches.

## INJURIES

The Netball SA Country Championships does not allow rolling substitutions for matches, changes should only be made when there is an actual injury.

No extra time will be added for an injury stoppage; however, the injured/ill player should still ask the umpire to hold play so they can be safely removed from the game. That position can either be left vacant or replaced straight away prior to play recommencing.

In the event of a SERIOUS INJURY umpires will stop the game until the player can safely leave the court. If player cannot be moved umpires will take the game to another court where possible.

## **GUIDELINES**

The official Netball SA Country Championships guidelines can be found on the Netball SA website, or there is a copy in the Duty Room.

## **FIRST AID INFORMATION**

First aid coverage is provided by South Australian Sports Medicine Association (SASMA), a group of accredited Level 1 & 2 Trainers. The Trainers can deal with the initial care of an injury, basic diagnosis and care and can refer to other medical professionals where required.

To contact the Trainers, please visit the First Aid Room located near the main entrance.

### **TAPING**

Preventative taping for hands, ankles, knees and feet are available by SASMA trainers to players and umpires from 8:00am - 11:00am for a gold coin donation at the Elastoplast Tent. Any persons getting taped under the age of 18, it is requested they attend with a parent or guardian.

38mm rigid strapping tape for self-taping needs can be purchased from the Espresso outlet for \$12.00 per roll.

### **NUTRITION AND HYDRATION**

Ensure you have adequate sleep, hydration and nutrition in the lead up to, and over the course of the weekend.

A suitable hydration regime would be 500ml (2-3 glasses) of cold water ½ - 1hr before exercise and then every 20-30 minutes as appropriate.

## **INJURY PREVENTION AND MANAGEMENT**

Don't compete if you are feeling unwell, particularly if you have a fever or are experiencing chest pain or dizziness.

The most useful first aid management of any acute injury is to initiate "RICER", which aims to reduce bleeding, swelling, and assists with pain relief: Rest – stop all activity, Ice – 15 - 20minutes every 2 hours if possible for 48 hours, Compression, Elevation and Referral – to a doctor/physiotherapist if injury shows no sign of improvement or if pain is severe.

Along with "RICER", it is important to do no "HARM" in the first 48 hours: No Heat – no hot baths, heat rubs, spas, hot water bottles. No Alcohol – for the first 48 - 72 hours as it increases swelling. No Running – stop all vigorous activity and No Massage – for the first 48 - 72 hours.

### **DUTY OF CARE AND INJURIES**

If you have an injured player, spectator or official with any potentially serious injury such as; head and/or neck trauma, chest pain, asthma, respiratory illness, back injury, suspected fracture or a serious knee injury, please do not move the injured person.

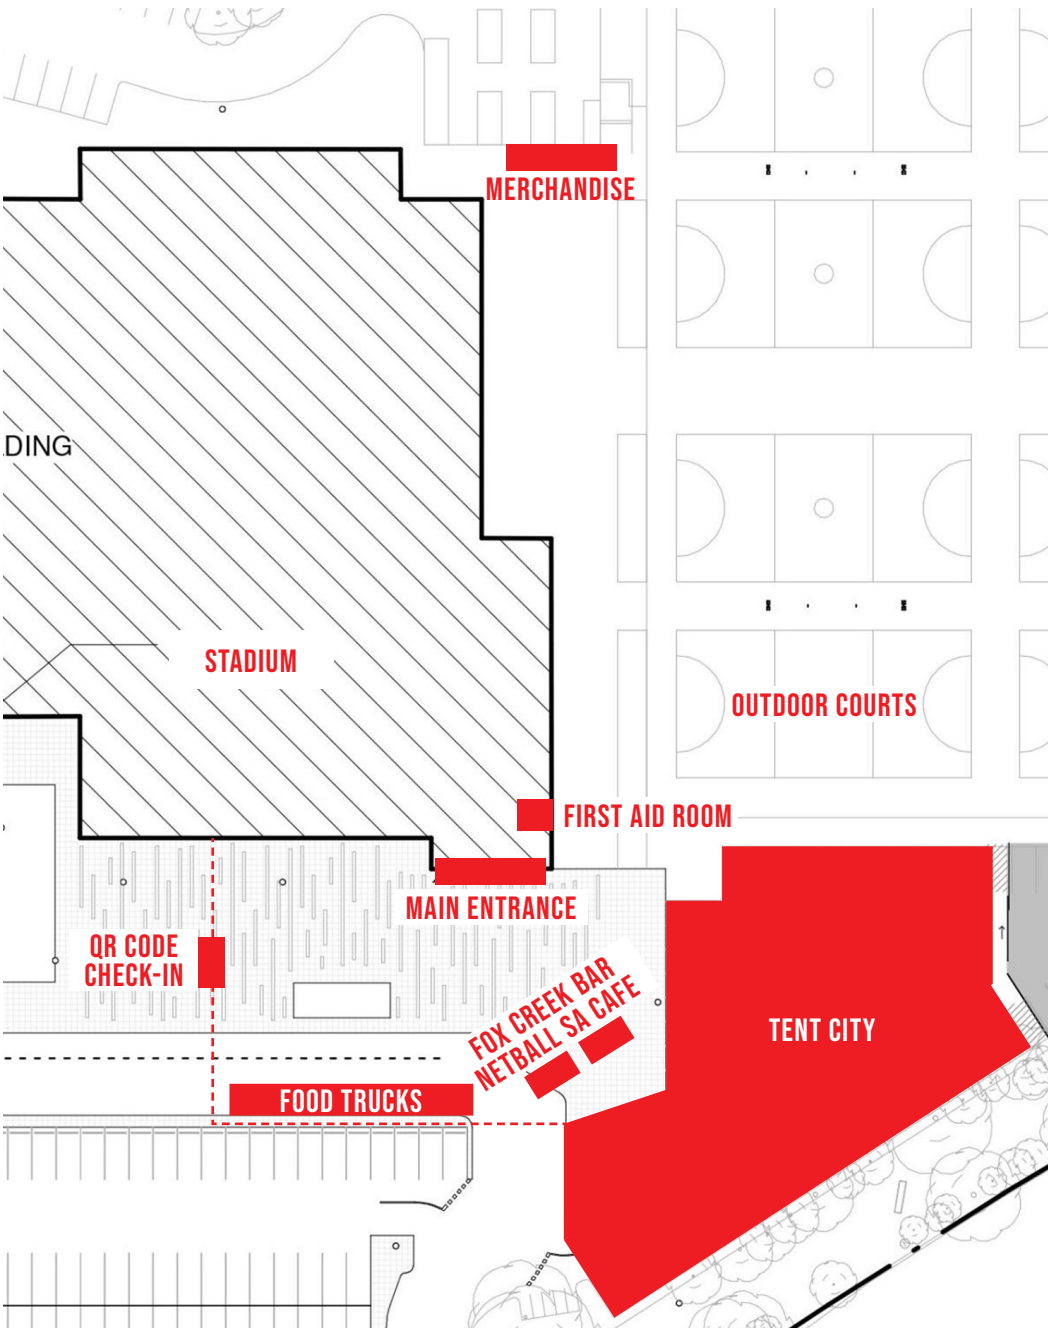

Contact the First Aid Room (either by phone or runner) and the Sports Trainer will attend to the individual at the site of the injury.
