ROLE OF NETBALL SA IN SILVER SPECIALIST SCHOOL PROGRAM

Netball SA has a key focus of developing netball through schools. This development includes that of athletes, coaches, umpires, and administrators. Through the Netball SA Specialist School Program students are exposed to a variety of netball activities ensuring their involvement in the sport is on several levels, not just as an athlete participant.

Netball SA provides several benefits to endorsed Specialist Schools to assist with the successful running of endorsed programs across South Australia.

Benefits include:

- Endorsement of the school's netball program.
- Usage of Netball SA logo on the Schools Netball Program promotional material, program polo, social media, and website. All use of Netball SA logo to be approved by Netball SA prior to publication.
- Provide access to Netball SA website, monthly Netball News e-newsletter to Netball SA members, and social media platforms to share your Netball Program and Netball Program events.
- Netball SA will provide schools notification of and access to development programs for coaches, umpires, and players where possible.
- Promote the school as a Netball SA Silver Specialist School via the Netball SA website.
- Specialist School end of year Round Robin to be held in Term 4.
- Netball SA will undertake quality assurance process every 3 years or other time as determined by both organisations.

Additional benefits for 2022:

- Certificate of endorsement and editable pdf poster promoting your school as a Netball SA Endorsed Specialist School.
- Discounted tickets an Adelaide Thunderbirds match as determined by Netball SA.
 - To be confirmed when season details are released.
