# THANK YOU

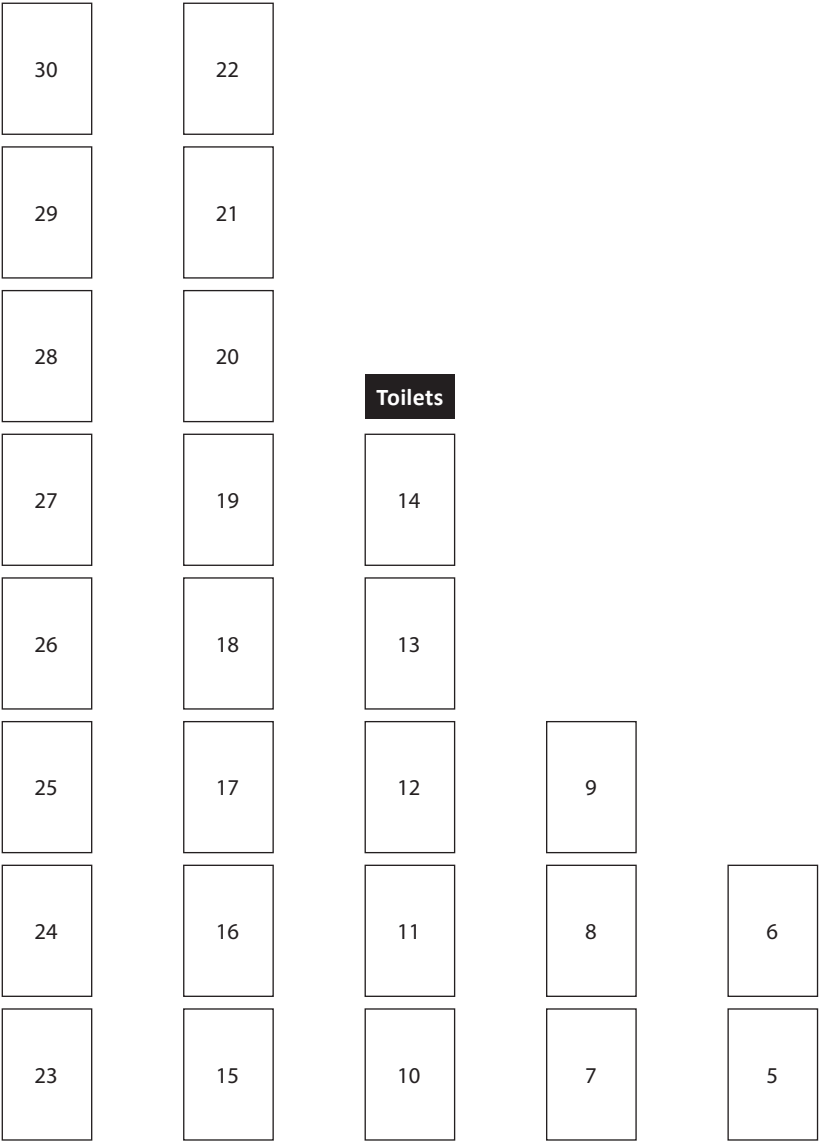

The saying ‘many hands make light work’ could not be truer for the 2023 Netball SA Country Championships. There are numerous people offering their assistance to make the Championships a success.

First and foremost, thank you to the Organising Committee for their dedication and hard work in the lead up to, and over the weekend. The committee represents all regions attending the Championships and is led by Convener, Naomi Davey.

Many thanks to the Netball SA team for their assistance and commitment to the event, thank you also to the Office for Recreation & Sport for their active support of Netball in South Australia and their continued promotion of maintaining a healthier lifestyle.

Finally, thank you to all the volunteers, coaches, umpires, officials, players and spectators, without you, this event could not continue.

# MESSAGE FROM THE CONVENOR

Welcome, everyone, to the highly anticipated 2023 Netball SA Country Championships! I am delighted to be the Convenor for this year's event and I am honoured to lead this prestigious competition celebrating netball in our state.

Before we begin, let us acknowledge the traditional custodians of the land we gather on today. We pay our respects to their elders past, present, and emerging, recognizing their ongoing connection to the land, waters, and culture.

The Netball SA Country Championships holds a special place in our hearts, showcasing the talent, dedication, and passion for netball from across SA. We celebrate the enduring spirit of this event, where athletes have come together to compete, forge friendships, and create cherished memories.

I extend my gratitude to the remarkable committee members, including Gayle, Nickie, Robyn, Sharon, Tania, and Yolanda, and the Netball SA staff members Caleb, Caitlin, Nick, Roz, and Heidi, for their dedication and support in organizing this extraordinary event.

As we begin the weekend, remember that the Country Championships embody teamwork, friendship, and fun. This weekend is an opportunity to showcase skills, embrace friendships, and create lasting memories on and off the court.

This year we have 23 associations, 95 teams, 434 matches scheduled and 1300+ participants attending. The level of competition will be

extraordinary, and I have no doubt each team will bring their A-game, displaying the true spirit of netball. We are honoured to also have some of our country State 17s and 19s athletes out to help present awards over the weekend.

Thank you to all participants, coaches, umpires, team managers, parents, and supporters and associations for making this event possible. Your dedication to the sport we love is inspiring.

Let the 2023 Netball SA Country Championships commence! May the games be filled with exhilarating moments, friendships, and the spirit of netball. Good luck to all teams! Let the competition begin!

# GENERAL INFORMATION

## TIMES

Saturday 10 June  
Doors open 7:00am

Sunday 11 June  
Doors open 7:00am

Monday 12 June  
Doors open 7:00am

## TEAMS

The Duty Room must be notified of any changes to team lists at any time during the competition.

Players from a lower grade/s registered list/s may be added to a higher grade, but they cannot return to the lower grade.

## MATCHES

Matches will be centrally timed and will start and finish on the umpire's whistle.

The first named team is to take the first centre pass, the other team is to choose goal end.

All matches will consist of two (2) x fifteen (15) minute halves, with a three (3) minute interval during which teams change ends.

In extreme weather conditions, the decision to abandon matches must be made by the Organising Committee. The complete round will be abandoned including indoor games.

## SCORERS

Both teams must provide a scorer for each match. Scorers must be near each other, in line with the centre circle, and frequently compare scores to prevent any discrepancies.

The white score card is for the Home Team and is the official score, the green score card is for the Away Team and is the check score.

Both cards must be filled in for each match, including any interchanges/subs made.

All score cards must be returned to the Duty Room IMMEDIATELY after each game.

## UMPIRES

Umpires for the Championship shall umpire their own association on Saturday while umpires for Sunday are allocated by a neutral grid system for all grades.

If umpires do not attend their designated court – the umpire allocated to that Associations game must go to the vacant court and the erring association will have to forfeit.

If your team is participating in the quarter finals, semi finals or grand finals your umpire is required to be available for all the above mentioned matches.

## INJURIES

The Netball SA Country Championships does not allow rolling substitutions for matches, changes should only be made when there is an actual injury.

No extra time will be added for an injury stoppage; however, the injured/ill player should still ask the umpire to hold play so they can be safely removed from the game. That position can either be left vacant or replaced straight away prior to play recommencing.

In the event of a SERIOUS INJURY umpires will stop the game until the player can safely leave the court. If player cannot be moved umpires will take the game to another court where possible.

## GUIDELINES

The official Netball SA Country Championships guidelines can be found on the Netball SA website, or there is a copy in the Duty Room.

## FIRST AID INFORMATION

First aid coverage is provided by South Australian Sports Medicine Association (SASMA), a group of accredited Level 1 & 2 Trainers. The Trainers can deal with the initial care of an injury, basic diagnosis and care and can refer to other medical professionals where required.

To contact the Trainers, please visit the First Aid Room located near the main entrance.

Netball SA partner Wakefield Sports is providing physiotherapy services to delegates throughout the weekend. A physiotherapist will be on duty in the First Aid room at the following times:

Saturday 10th 12:00pm – 3:00pm  
Sunday 11th 10:00am – 1:00pm

## TAPING

If you require further medical or physical attention the Wakefield Clinic is a walk-in clinic, no appointment needed, but it might be a good idea to call ahead (82325833) so the clinic knows they are on their way. Any persons getting taped under the age of 18, it is requested they attend with a parent or guardian.

Taping times at Country Champs are:

Saturday 10th 12:00pm – 3:00pm  
Sunday 11th 12:00pm - 3:00pm

38mm rigid strapping tape for self-taping needs can be purchased from the Espresso outlet for \$12.00 per roll.

## NUTRITION AND HYDRATION

Ensure you have adequate sleep, hydration and nutrition in the lead up to, and over the course of the weekend.

A suitable hydration regime would be 500ml (2-3 glasses) of cold water ½ - 1hr before exercise and then every 20-30 minutes as appropriate.

## INJURY PREVENTION AND MANAGEMENT

Don't compete if you are feeling unwell, particularly if you have a fever or are experiencing chest pain or dizziness.

The most useful first aid management of any acute injury is to initiate "RICER", which aims to reduce bleeding, swelling, and assists with pain relief: Rest – stop all activity, Ice – 15

- 20minutes every 2 hours if possible for 48 hours, Compression, Elevation and Referral – to a doctor/physiotherapist if injury shows no sign of improvement or if pain is severe.

Along with "RICER", it is important to do no "HARM" in the first 48 hours: No Heat – no hot baths, heat rubs, spas, hot water bottles.

No Alcohol – for the first 48 - 72 hours as it increases swelling. No Running – stop all vigorous activity and No Massage – for the first 48 - 72 hours.

## DUTY OF CARE AND INJURIES

If you have an injured player, spectator or official with any potentially serious injury such as; head and/or neck trauma, chest pain, asthma, respiratory illness, back injury, suspected fracture or a serious knee injury, please do not move the injured person.

Contact the First Aid Room (either by phone or runner) and the Sports Trainer will attend to the individual at the site of the injury.

## EMERGENCY

Royal Adelaide Hospital  
North Terrace, Adelaide (Public Hospital)

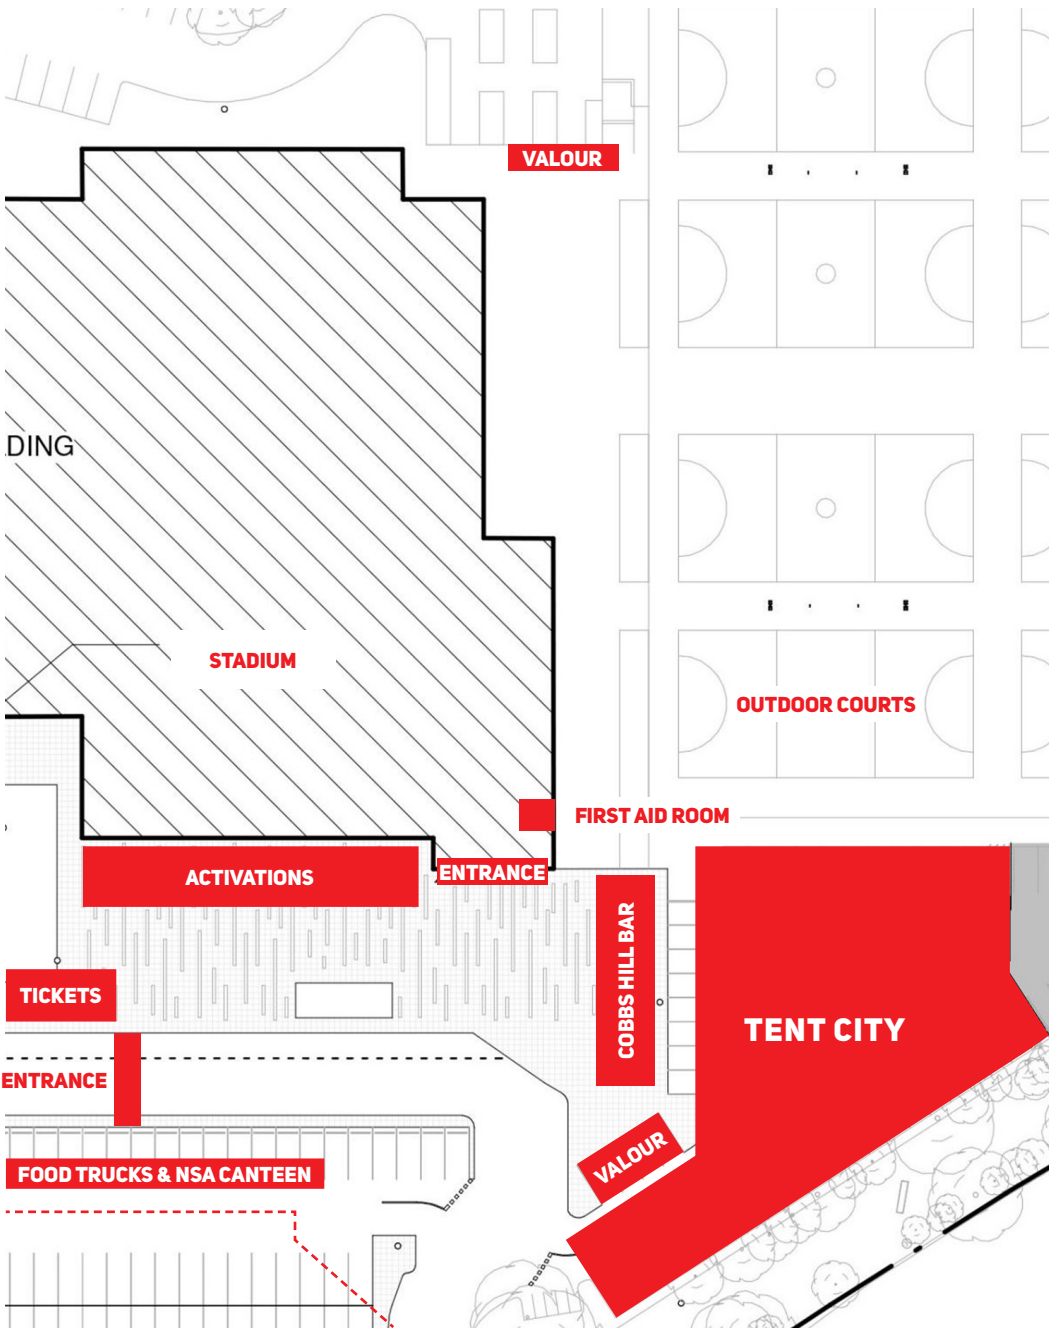

Wakefield Hospital  
Wakefield Street, Adelaide (Private Hospital)

## CHANGEROOM INFORMATION

Female, Male and All Genders changerooms will be available in the Eastern Corridor for public use. Change, shower and toilet facilities are available in these spaces. Patrons are advised that no electrical items should be used in the facilities and these spaces should not be used for team purposes.
