

# KANGARILLA NETBALL CLUB

## Seeking A1 Netball Head Coach

### Our Club

Kangarilla Netball Club prides itself on creating a supportive and nurturing environment where individuals and teams can thrive. Nestled in the northern end of the Fleurieu Peninsula, Kangarilla is a small country town, only 33kms from Adelaide CBD. We have teams of all ages and abilities from Net Set Go development squads through to A1 Grade.

Our commitment to the development of our players, coaches and umpires resulted in 6 of our 8 teams making finals in the 2023 season, with 3 of those teams bringing home the premierships in the Southern Hills Netball Association.

### A Grade

Our A Grade team, who have consistently experienced finals success over the past 4 years, are looking for a passionate and knowledgeable coach to take them to the next level. The position would be perfect for someone keen to broaden their senior coaching experience or for a more experienced coach looking to play a pivotal role in a friendly community club. With an amazing group of players and a supportive committee, the club is ready to welcome a new A1 Head Coach to assist in developing players skills and also encouraging new recruits.

### Applications

We would love to you join the Kangarilla Netball Club in 2024. Further criteria and details regarding remuneration is available upon expression of interest.

If this role sounds like it could be for you, please reach out to Erin McLachlan at [erinolivia.mclachlan@gmail.com](mailto:erinolivia.mclachlan@gmail.com) or on 0414 886 023
