

### Player Points Table applies to New Recruits.

## A New Recruit is defined as "a player transferring to a new Participating Team for whom they have not played for during the previous season."

Each Premier League Club will be allocated total points of up to and including a maximum of 13 points for each Season. This will be based on the position of the Premier Division team at the end of the Finals Series of the preceding Season.

<u>Ladder</u>	<u>Points</u>	<u>Club</u>
1 <sup>st</sup> position	8	Contax
2 <sup>nd</sup> position	8	Matrics
3 <sup>rd</sup> position	9	South Adelaide
4 <sup>th</sup> position	9	Garville
5 <sup>th</sup> position	11	Oakdale
6 <sup>th</sup> position	11	Tango
7 <sup>th</sup> position	13	Newton Jaguars
8 <sup>th</sup> position	13	Metro Jets

New recruits will attract the highest allocation of Player Points applicable.

For example, where a New Recruit, Player A, has played 48 Reserves Division matches (point allocation of one (1) point) and also played 52 Premier Division matches (point allocation of three (3) points); the points allocation for Player A as a New Recruit is three (3) points.

All New Recruits will carry points on a sliding scale over 3 years which will be reduced based on club loyalty. Should a player move clubs at any time, they will revert to the highest allocation of points for her playing experience, i.e., New Recruit status.

#### Scenario 1:

Player A, from Club Y, who carries 3 points, is recruited by Club X in 2023.

In 2024, if Player A stays with Club X, she is worth 2 points.

In 2025, if Player A stays with Club X, she is worth 1 point.

In 2026 (and beyond), if Player A stays with Club X, she is worth 0 points.

If Player A leaves the Club at any time, she reverts to carrying the highest allocation of points for her playing experience.

Therefore, if Club X finished the 2022 season in 5<sup>th</sup> position and has 11 Player Points (as above) for the 2023 recruitment season, Player A's recruitment points would be deducted from their tally meaning they now have 9 points to continue recruiting with.
