THANK YOU

The 2025 Netball SA Adelaide University Country Championships is our biggest event of the year and one that embodies what makes our sport the best sport in the world - the spirit of teamwork and community.

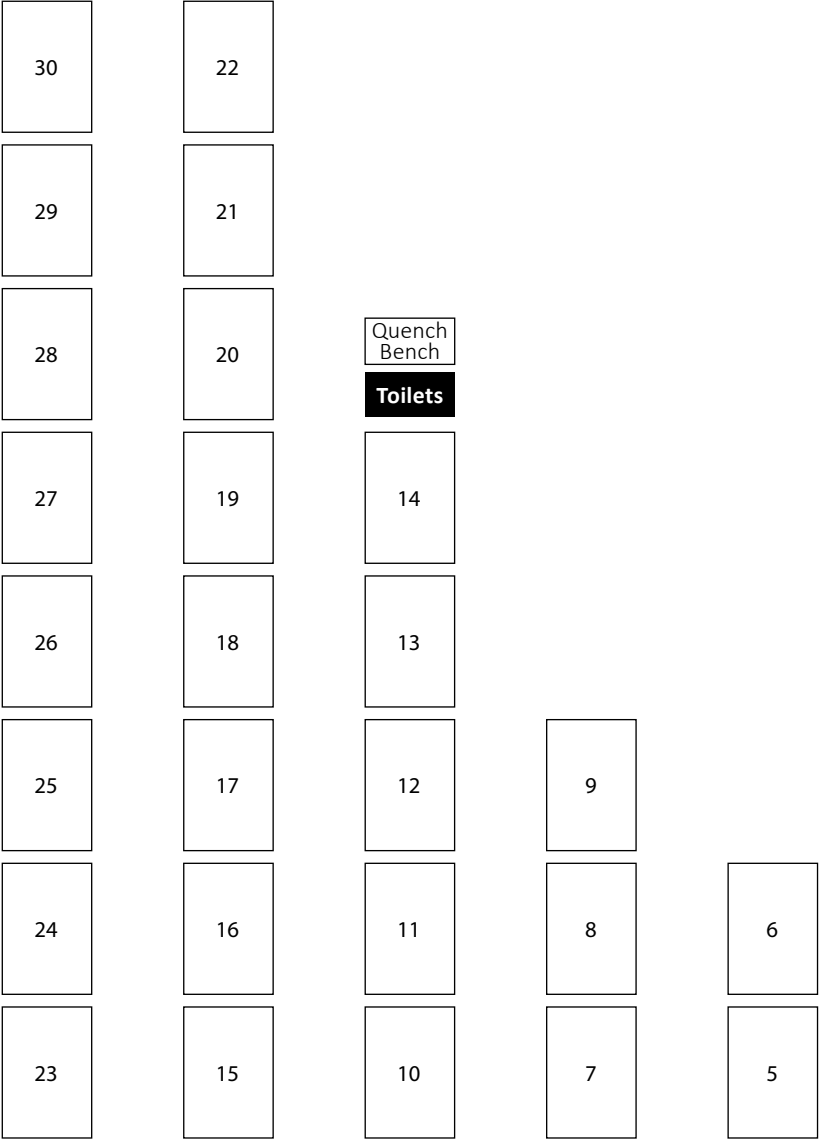

We are truly grateful to everyone who has played a part in making this event happen, with a special thank you going to the Organising Committee for their dedication and planning. The Committee is made up of volunteers from across the state, and their efforts both in the months leading up to the event and throughout this championship weekend has been truly appreciated.

Our appreciation also extends to the Netball SA team for their unwavering support and

commitment. The team have brought together our biggest event of the year, combining it with our The Hospital Research Foundation Group Premier League, Adelaide Thunderbirds vs Giants at the Adelaide Entertainment Centre as well as our SN Reserves team the Adelaide Thunderbirds Futures playing on Sunday evening. It is truly a weekend jam packed with netball, from grass roots to elite!

Finally, we want to express our deepest thanks to all the volunteers, coaches, umpires, officials, players, and spectators. Your enthusiasm and support are the heart of this event, making it an unforgettable celebration of netball. Thank you all for your incredible contributions and we wish you all the best of luck over the weekend!

OUTDOOR COURT MAP

MESSAGE FROM THE CONVENOR

A huge welcome to all our players, coaches, umpires, team managers, volunteers and supporters to the 2025 Netball SA Adelaide University Country Championships.

I would like to begin by acknowledging the Traditional Owners and Custodians of the land on which we meet today, as well as the lands from which you all are travelling from, and pay my respects to their Elders past and present, and emerging. I extend that respect to Aboriginal and Torres Strait Islander peoples attending the Championships this weekend.

As convenor of the 2025 Adelaide University Country Championships Organising Committee, I am excited for what this weekend will bring. Not only is it a chance to forge new friendships, it is also an opportunity to learn new skills, develop our strengths and challenge ourselves.

An event like this cannot happen without the support of many volunteers. Thank you to our Associations and all their volunteers who have worked tirelessly to bring athletes to the Championships. Thank you to our Organising Committee who have been working behind the scenes for almost 12 months to plan, prepare and deliver the carnival. And a very special thankyou to the dedicated staff at Netball SA who without their time, passion and support, an event like this would not be possible. I know that the Netball SA staff love hosting this event each year, and look forward to meeting as many of you in person as they can.

And finally, thankyou to our families who support our netballers week in, week out. We acknowledge the sacrifices families make in order to be part of the weekend, and we say thankyou!!

Welcome to the 2025 Adelaide University Country Championships where friendships are forged, champions are crowned, and memories are made to last a lifetime!

Tania Adler

OPENING CEREMONY

The Opening Ceremony will be held on Saturday commencing on Court One at 11:00am. This will be a great opportunity to see all the teams competing over the weekend.

TEAMS

The Duty Room must be notified of any changes to team lists at any time during the competition.

Players from a lower grade/s registered list/s may be added to a higher grade, but they cannot return to the lower grade.

MATCHES

Matches will be centrally timed and will start and finish on the umpire's whistle.

The first named team is to take the first centre pass, the other team is to choose goal end.

All matches will consist of two (2) x fifteen (15) minute halves, with a three (3) minute interval during which teams change ends.

In extreme weather conditions, the decision to abandon matches must be made by the Organising Committee. The complete round for any affected grades will be abandoned including indoor games.

SCORERS

Both teams must provide a scorer for each match. Scorers must be near each other, in line with the centre circle, and frequently compare scores to prevent any discrepancies.

The white score card is for the Home Team and is the official score, the green score card is for

the Away Team and is the check score.

Both cards must be filled in for each match, including any interchanges/subs made.

All score cards must be returned to the Duty Room IMMEDIATELY after each game.

UMPIRES

Umpires for the Championship shall umpire their own association on Saturday while umpires for Sunday are allocated by a neutral grid system for all grades.

If your team is participating in the quarter finals, semi finals or grand finals your umpire is required to be available for all the above mentioned matches.

INJURIES

No extra time will be added for an injury stoppage; however, the injured/ill player should still ask the umpire to hold play so they can be safely removed from the game. That position can either be left vacant or replaced straight away prior to play recommencing.

In the event of a SERIOUS INJURY umpires will stop the game until the player can safely leave the court. If player cannot be moved umpires will take the game to another court where possible.

GUIDELINES

The official Netball SA Adelaide University Country Championships guidelines can be provided to you by your association, or there is a copy in the Duty Room.

FIRST AID INFORMATION

First aid coverage is provided by Sports Trainers SA and St. John's. The Trainers can deal with the initial care of an injury, basic diagnosis and care and can refer to other medical professionals where required.

To contact the Trainers, please visit the First Aid Room located near the main entrance.

Any persons getting taped under the age of 18, it is requested they attend with a parent or guardian.

Taping times at Country Champs are:
Saturday 7th 7:00am - 6:45pm
Sunday 8th 7:15am - 2:15pm
Monday 9th 7:45am - 3:15pm

Taping is subject to sports trainer availability as injuries take precedence.

38mm rigid strapping tape for self-taping needs can be purchased from the Espresso outlet for \$12.00 per roll.

NUTRITION AND HYDRATION

Ensure you have adequate sleep, hydration and nutrition in the lead up to, and over the course of the weekend.

A suitable hydration regime would be 500ml (2-3 glasses) of cold water ½ - 1hr before exercise and then every 20-30 minutes as appropriate.

You can access the Quench Bench, located at the outside toilet blocks to refill your drink bottles.

INJURY PREVENTION AND MANAGEMENT

Don't compete if you are feeling unwell, particularly if you have a fever or are experiencing chest pain or dizziness.

The most useful first aid management of any acute injury is to initiate "RICER", which aims to reduce bleeding, swelling, and assists with pain relief: Rest – stop all activity, Ice – 15 - 20minutes every 2 hours if possible for 48 hours, Compression, Elevation and Referral – to a doctor/physiotherapist if injury shows no sign of improvement or if pain is severe.

Along with "RICER", it is important to do no "HARM" in the first 48 hours: No Heat – no hot baths, heat rubs, spas, hot water bottles. No Alcohol – for the first 48 - 72 hours as it increases swelling. No Running – stop all vigorous activity and No Massage – for the first 48 - 72 hours.

DUTY OF CARE AND INJURIES

If you have an injured player, spectator or official with any potentially serious injury such as; head and/or neck trauma, chest pain, asthma, respiratory illness, back injury, suspected fracture or a serious knee injury, please do not move the injured person.

Contact the First Aid Room (either by phone or runner) and the Sports Trainer will attend to the individual at the site of the injury.
