

SA Netball Centre Redevelopment Project – Community Consultation Q&A

(Note: Questions are presented in order of how they arose in the session)

Theme	Question / Comment	Response	Action
Design	Level 1 - Duty Room and associated area <ul style="list-style-type: none"> Duty room requires view to the outdoor courts - critical requirement Health and safety, duty of care, visibility 	Situated on ground floor for concept only - facing indoor courts.	ORSR: Feedback noted for design consideration
Construct	With no stadium during Stage 2, where are the duty rooms going to be temporarily located?	Builder will be responsible for staging a fit out - duty room, PA, toilets, etc.	ORSR: Once staging identified, provide stakeholders with layout plan
NSA Operations	Warm up area for umpires? Is there a space?	Programming may provide opportunity a court for umpire warm up. There is no dedicated allocation of space in concept for umpire warm up, only changerooms.	NSA: Operational consideration/programming
ORSR Operations	Is this going to be the Home of Netball? Will netball get first preference to courts and general facility with more sport coming?	Netball is a core tenant of the facility. A Hierarchy of Scheduling will be developed by ORSR, in collaboration with NSA and	

		<p>other users where netball is noted as in the top tier.</p> <p>Note - events of State and National importance will affect scheduling from time to time, with ample communication.</p>	
Commercial	What will the precinct / stadium be named?	<p>This is unresolved and will be considered later in the project.</p> <p>A naming partner opportunity may arise, which would be a fantastic outcome to keep operating costs low for users.</p> <p>The external plaza is likely to have signage opportunities to personalise the facility for events.</p>	
NSA Operations	<p>AMND competition relies on early information about competition venues, this has not been quick enough</p> <ul style="list-style-type: none"> CND information was not quick enough to be shared to stakeholders, causing angst for members and withdrawal of some playing cohorts. AMND venue information for 2026 season is required ASAP - dates need to be agreed and committed to. Indoor courts required for all teams - outdoor courts for 2026 will not suffice. 	<p>Noted.</p> <p>NSA and ORSR will provide further competition communication by EOM August 2025 and will work closely to understand timelines for competition communications in better detail.</p>	<p>ORSR & NSA: Communicate competition arrangement updates by EOM August 2025.</p>

OFFICIAL

ORSR Operations	Adelaide Lightning – will they use the facility for home games?	<p>Adelaide Lightning will play home games at the State Basketball Centre - Adelaide Showground as announcement by the Premier.</p> <p>The SANCR project will accommodate a 3,000 seat show court and capacity for other events. Where aligned with the Hierarchy of Scheduling, there are likely to be events held at the facility in the future.</p>	
Design	Is the floor going to be sprung?	PR3 Horner Cushion System is preferred and considered best practice.	
Design	Is there only one first aid room?	<p>First aid facilities are currently being considered in concept design.</p> <p>The building certifier has provided expertise in relation to required design, building clearance and access for emergency services.</p>	ORSR: Feedback noted for design consideration
Design	State Basketball Centre has no retractable seating - has ORSR considered this for NSA?	<p>Retractable seating is included in the project brief.</p> <p>Future proofing of seating capacity per court is understood as being critical. The design team is working within budget and space constraints.</p>	ORSR: Feedback noted for design consideration

Design	How many extra outdoor courts and car parks?	<p>No extra outdoor courts, the same number are being redeveloped (26).</p> <p>Traffic management data has been received for review, this will inform carparking requirements. Some early considerations:</p> <ul style="list-style-type: none"> • Modelled requirement is 32 car parks per court • Game changeover and operational changes could alleviate congestion - further analysis required 	ORSR: Feedback noted for design consideration
Design	What does the spectator / officials space look like for outdoor courts?	<p>12 metre sheltered space per court - dual player bench, scorers and officials bench (with digital scoreboard) and spectator walkthrough has been provisioned.</p> <p>Court colouring and line marking will support zones for safety, playing surface and pedestrian 'boulevards.</p> <p>The project is constrained by land availability - court spacing has a slightly adjusted overlay to allow for safe pedestrian ingress and egress.</p>	ORSR: Mark-up requested to show court overlay (current to proposed)
ORSR Operations	<p>Volleyball line marking</p> <ul style="list-style-type: none"> • How will it impact netball? 	Court hall A will not have any permanent line marking to support multi-sport and event offerings.	ORSR: Further analysis of line marking operations, tape, best practice and 'down time'

OFFICIAL

		<p>Court hall B line marking has not been determined.</p> <p>Court line marking operational overlay has been demonstrated to be done within hours</p>	<p>between sport /layout changeover to be undertaken.</p> <p>Consideration of leaving courts taped for daily netball use when no additional event overlays are required.</p>
ORSR Operations	Where is volleyball now? Why are they in the venue?	<p>Volleyball SA was identified as a sport requiring additional indoor court space and was announced as a co-user of the new SANCR facility.</p> <p>Volleyball SA will have administrative office within the venue.</p> <p>The venue is a multisport facility, with other tenants and hirers.</p> <p>NSA will have administration offices within the venue.</p>	
Design	Volleyball poles - safety concern for pole holes on netball courts	The infills will be completely flush and are commonplace in many sport facilities.	ORSR: Feedback noted for design consideration
Design	Is there provision indoors for electronic scoreboards?	Yes - each court will have a score board and the main court will have a show court scoreboard linked to scorers bench	ORSR: Feedback noted for design consideration

OFFICIAL

Design	Health and safety – elevated seating currently does not have safety railing or mobility assistance, will this change?	Yes - Stair railing will be incorporated into facility concept for fixed seating. Retractable seating railing is being investigated.	ORSR: Feedback noted for design consideration
Design	Car parking - is angled car parking an option for ease of congestion?	Noted for further consideration.	ORSR: Feedback noted for design consideration.
ORSR Operations	Pickleball - if it gets classified as an elite sport? What is the future for it at NSA and where will it fit?	ORSR are discussing future sporting endeavours for all sports. Pickleball have only this year provided competition guidelines, and have indicated that this facility will be provisioned for the 'club/competition' specification.	
Design	Are there warm up spaces outdoors?	The outdoor south plaza will be looked at for potential warm up area.	ORSR: Feedback noted for design consideration
Design	Changeroom facilities for PL recovery and treatment - will it be included?	The Concept Design phase has considered recovery and treatment, no decisions have been taken.	ORSR: Feedback noted for design consideration
ORSR Operations	Volleyball SA – Hierarchy of Scheduling. What is volleyball's thoughts, have they been engaged?	Yes, Volleyball SA has been party to discussion as a stakeholder. Request for information to all parties will be released to consider existing and future use.	ORSR: Request for Information for existing and future usage to be released.
NSA Operations	AMND scheduling want 21 weeks consecutively - is this possible with other sports?	NSA: this is an operational/programming consideration.	

OFFICIAL

		Hierarchy of Scheduling will determine season, noting that Netball is in the top tier of users.	
Design	Premier league teams commercial signage - storage options for commercial items?	<p>Objective is to evolve to digital signage, with LED screens to facilitate commercial opportunities.</p> <p>NSA have provided ORSR a brief on storage and commercial requirements.</p>	ORSR: Feedback noted for design consideration
NSA Operations	Premier League want a visual presence in the stadium and plazas - 8 clubs need visibility	<p>Commercial opportunities will be considered.</p> <p>Operating Model of the facility will guide commercial integration.</p>	ORSR: Feedback noted for design consideration
