ASC SPORTING SCHOOLS

Sporting Schools is an Australian Government initiative designed to help schools to increase children's participation in sport & to connect them with community sporting opportunities.

The netball program is game based, with a focus on greater inclusion & modifications to enhance engagement & learning. This program is aligned to the Australian Curriculum 9.0: HPE & includes Personal & Social Development.

PRICE

Price varies on number of classes & sessions. The minimum price is \$810 & allows 1 class for 4 sessions.

SCHOOL CLINICS

**Prices excluded GST. Regional schools can apply, however additional cost occur for NSA travel costs.*

Netball South Australia school clinics are the perfect way to introduce & develop netball to your students with our accredited Development Officers. Either focus on fun & participation or extend your netball loving students.
